COURSE DESCRIPTION

Hospital care models are transforming, and nurse practitioners and physician assistants play vital roles in the care delivery of hospitalized patients. Hospital Medicine for NPs & PAs fills your CME needs. This conference emphasizes clinical management of hospitalized patients in an interactive, case-based format with evidence-based lectures by experts in treatment pathways from admission to discharge.

TARGET AUDIENCE

This conference is applicable to internists, hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses and allied health from novice to experienced.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Identify current evidence based practice recommendations in specialties such as cardiology, infectious disease, nephrology, gastroenterology, and hospital medicine.
- Describe when and how to initiate appropriate and timely consultation with specialty services.
- Describe and discuss practice updates for patients with sepsis to decrease in-hospital mortality, length of stay, and improve patient outcomes.
- Describe and discuss updated guidelines and recommendations to reduce the occurrence of geriatric syndromes in hospitalized patients in an aging population.

LODGING & ACCOMMODATIONS

Reserve your room at the Hilton Garden Inn (\$179 single/double) and the Hilton Rochester/Mayo Clinic area (\$229 single/double) before April 21, 2019, in order to receive a discounted rate (limited number available). Please identify yourself as a participant of the Mayo Clinic NPPA course when making your reservation.

SOCIAL PROGRAMS

Reception – Thursday, May 16, 2019

Attendees and their guest(s) are cordially invited to join the course faculty for the Welcome Reception on Thursday, May 16th. This casual reception welcomes you to the Rochester Art Center and offers you the perfect opportunity to make connections with existing and new colleagues. Pre-registration is requested.
