

Presenter's Name: Ariel D. Ferdock, PharmD, BCPS, BCACP

Presenter's Academic Rank: Clinical Preceptor (pursuing Academic appointment through Mayo Clinic College of Medicine & Science)

Educational Background:

- Graduated with a Bachelor's degree in Chemistry from Towson University
- Graduated with a PharmD from Nova Southeastern University
- PGY-1 and PGY-2 Ambulatory Care/Family Medicine Residency completed at UPMC St. Margaret

Position at Mayo Clinic:

Ariel Ferdock is currently in a hybrid role of inpatient pharmacy and ambulatory care pharmacy. She currently works at Mayo Clinic Health Systems – Sparta Campus at their transitional care unit and the Family Medicine clinic. In her clinic role, she works under a collaborative practice agreement (CPA) completing Medication Management Services (MMS) for chronic diseases. Outside of her direct roles, she is involved with the Mayo La Crosse Pharmacy Residency program as well as the Family Medicine Residency program.

Special Interests:

Comprehensive diabetes care, transitions of care and teaching
