COURSE HIGHLIGHTS

This two-day course focuses on ten controversial topics in cutaneous oncology covering the fields of dermatology, surgical oncology, radiation oncology and medical oncology. The goal is to discuss the available evidence of these topics to assist in making the most informed decisions. Current and new advances in therapeutic treatments for both melanoma and non-melanoma skin cancers, especially, basal cell, squamous cell and Merkel cell carcinoma will be highlighted with the presentations and discussion.

LEARNING OBJECTIVES

- Analyze literature regarding the impact of sunscreen on rates of skin cancer and skin cancer mortality
- Review surgical management of dysplastic nevi
- Review data regarding prevention of squamous cell carcinomas in high-risk populations including solid organ transplant recipients
- Analyze data regarding the utility of molecular assays to assess prognosis of patients with early stage melanoma
- Examine data supporting the use of targeted immunotherapy for patients with unresectable melanoma
- Review data regarding the impact of complete lymph node dissections on overall survival in patients with melanoma
- Examine data regarding the impact of sentinel lymph node biopsies on improving clinical outcomes in patients with melanoma or high-risk squamous cell carcinoma
- Review most recent data on adjuvant therapy for Stage III melanoma
- Review data regarding the impact of adjuvant radiation in high-risk squamous cell carcinoma of the head and neck

TARGET AUDIENCE

Dermatologists, surgical oncologists, medical oncologists, plastic surgeons, radiation oncologists, head and neck surgeons, physicians in internal medicine and family practice, physician extenders such as nurse practitioners and physician assistants that practice in the above specialties.

ONLINE REGISTRATION

\$425 Physicians/Scientists

\$350 Residents/Fellows/PAs/NPs/Allied Health/Retirees

SCHEDULE AT A GLANCE

For a full program and faculty: ce.mayo.edu/cutaneousonc2018

FRIDAY, OCTOBER 26, 2018 – DEBATE FORMAT

8:15 a.m.	Session 1: Can We Prevent SCCs in the Transplant Population?
9:10 a.m.	Session 2: Conservative Versus Aggressive Management in Patients with Atypical Nevi.
10:30 a.m.	Session 3: Does Sunscreen Prevent Skin Cancer or Save Lives?
11:30 a.m.	Session 4: Does Molecular Prognostic Assays in Patients with Stage II Melanoma Improve Outcomes?
1:10 p.m.	Session 5: Does Sentinel Node Biopsy Improve Outcomes in Patients with Thin Melanoma?
2:05 p.m.	Session 6: Latest Update on Management of the Positive Sentinel Node: Review of MSLT 2.

SATURDAY, OCTOBER 27, 2018 – DEBATE FORMAT

8:30 a.m.	Session 7: Does SLN Biopsy in High Risk cSCC of the Head and Neck Improve Outcomes?
9:25 a.m.	Session 8: Updates on Adjuvant Therapy For Patients with Stage III Melanoma.
10:30 a.m.	Session 9: Updates on Systemic Therapy For Patients with Stage IV Melanoma.
11:10 a.m.	Session 10: Does Postoperative XRT after Mohs Surgery for Aggressive cSCC of the Head And Neck Improve Outcomes?

COURSE DIRECTORS

Sanjay P. Bagaria, M.D.

Scott W. Fosko, M.D.

Richard W. Joseph, M.D.

ABSTRACTS

See ce.mayo.edu/cutaneousonc2018 for more information.

ACCREDITATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 9.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA

This program has been accredited by the American Osteopathic Association for 8.75 credits of AOA Category 2-A.

Other Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
