TARGET AUDIENCE

This course is intended for practicing cardiologists, radiologists and allied health staff (i.e. NPs, PAs, sonographers, rad-techs, cardiac nurses, MRI techs) who work directly with cardiac imaging.

LEARNING OBJECTIVES

- Develop a skill set on how multimodality imaging should be used including indications, optimal testing, and interpretation
- Improve ability to perform and interpret advanced imaging with cardiac MRI and CT
- Hone skills using hands-on, interactive sessions with newer echocardiographic techniques such as 3D and strain
- Develop a thorough knowledge base of indications, contraindications, and rationale for testing

COURSE DIRECTORS

Carolyn Landolfo, M.D.

Patricia J. Mergo, M.D.

Brian P. Shapiro, M.D.

ONLINE REGISTRATION

ABSTRACTS

Submit an abstract or work in the field of radiology or cardiology. Submitted abstracts may include proposed society guidelines, ongoing randomized trials in radiology or cardiology, outcome studies, quality improvement, or practice innovations or interesting case reports. Electronic poster presentations will be peer reviewed. For further information or questions, please email flacmeabstracts@mayo.edu

ACCREDITATION STATEMENT

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 28 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA

The American Osteopathic Association designates this program for a maximum of 26.5 AOA Category 2-A credits.

The American Osteopathic Association designates this program for a maximum of 1.25 AOA Category 2-B credits.

Other Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
