# RHEUMATOLOGY REVIEW

for Primary Care 2018

15.75

AMA PRA CATEGORY

1 CREDITS™

**THE RITZ-CARLTON**  
**AMELIA ISLAND, FLORIDA**  
MAY 17–19, 2018

## COURSE HIGHLIGHTS

- Provides internists and general practitioners with an up-to-date focus on Rheumatologic disorders and a complete general review for rheumatologists.
- Participants should be able to recognize and diagnose common rheumatologic disorders and discern which patients need referral to a specialist.

## TARGET AUDIENCE

This course is designed for internists and general practitioners, but will be applicable to clinical rheumatologists and rheumatology fellows, as well as allied health staff working in the aforementioned areas.

## LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Review basic clinical and therapeutic aspects of rheumatologic conditions
- Improve interpretation skills for rheumatology laboratory testing
- Identify patients that can be managed in primary care practices, and patients that need to be referred to rheumatology specialists
- Review up-to-date information about etiology, pathogenesis, and treatment of rheumatologic disorders

## COURSE DIRECTORS

Andy Abril, M.D.

Benjamin Wang, M.D.
