

International Symposium Mayo Model of Care 2020

Activity Description

Mayo Clinic, a recognized leader in medicine worldwide, is pleased to invite you to a virtual symposium for leaders in healthcare designed to provide in-depth training to the mission, values and systems at Mayo Clinic. Participants will gain a comprehensive understanding of Mayo Clinic's integrated model of health care delivery and the long history that has contributed to Mayo Clinic as an exemplary healthcare institution. Regardless of your role in health care, we hope you'll find value and new ideas at the symposium.

Target Audience

This symposium is designed for clinicians, health care executives, administrators and business leaders.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Identify the value principles that make up the Mayo Model of Care
- Describe the business and management systems that support Mayo's integrated practice
- Recognize the culture of service excellence that sustains Mayo's ranking as one of the best hospitals in America
- Recognize leadership principles and the culture of collaboration and a team-based health care structure
