# 30th Annual Hematology/Oncology Reviews

21st Annual Fellows' Research Presentations

Ritz-Carlton, Amelia Island, Florida

July 30<sup>th</sup> – August 1<sup>st</sup>, 2020

## Thursday, July 30, 2020

### **Session: Benign Hematology**

Moderator: **Gerardo Colon-Otero, M.D.**

|           |                                                                                                                                    |
|-----------|------------------------------------------------------------------------------------------------------------------------------------|
| 7:00 a.m. | Registration and Continental Breakfast                                                                                             |
| 8:00      | Welcome and Review of Course with Pre- and Post-Testing<br><b>Gerardo Colon-Otero, M.D. (MCF) and Rami Manochakian, M.D. (MCF)</b> |
| 8:20      | What is New on the Management of Thrombosis<br><b>Alexandra Wolanskyj-Spinner, M.D. (MCR)</b>                                      |
| 8:40      | What is New on the Management of TTP, ITP, HUS<br><b>Ewa Wysokinska, M.D. (MCF)</b>                                                |
| 9:00      | Q&A                                                                                                                                |
| 9:20      | Break                                                                                                                              |

### **Session: Chronic Myeloid Disorders (CMPN and MDS)**

Moderator: **James Foran, M.D. (MCF)**

|       |                                                                                                                     |
|-------|---------------------------------------------------------------------------------------------------------------------|
| 9:40  | An Update on the Management of Chronic Myeloproliferative Neoplasms (CMPN)<br><b>Naseema Gangat, M.B.B.S. (MCR)</b> |
| 10:00 | Update on Management of Chronic Myelogenous Leukemia (CML)<br><b>Michael Mauro, M.D. (MSKCC)</b>                    |
| 10:20 | Update on Management of Myelodysplastic Syndromes (MDS)<br><b>David Steensma, M.D. (Dana-Farber)</b>                |
| 10:40 | Q&A                                                                                                                 |
| 11:00 | Break                                                                                                               |

### **Session: Acute Leukemias**

Moderator: **James Foran, M.D. (MCF)**

|            |                                                                                                                             |
|------------|-----------------------------------------------------------------------------------------------------------------------------|
| 11:20      | An Update on the Management of Acute Myelogenous Leukemia (AML)<br><b>James Foran, M.D. (MCF)</b>                           |
| 11:40      | What is New about the Management of Acute Lymphoblastic Leukemia (ALL)<br><b>Daniel DeAngelo, M.D., Ph.D. (Dana-Farber)</b> |
| 12:00 p.m. | Q&A                                                                                                                         |
| 12:20      | <b>Lunch: Elective Informal Small Group Interesting Case Discussions During Lunch with Speakers</b>                         |

### **Session: CLL Myeloma**

Moderator: **Sikander Ailawadhi, M.D. (MCF)**

|      |                                                                                                                     |
|------|---------------------------------------------------------------------------------------------------------------------|
| 1:20 | State of the Art Management of Chronic Lymphocytic Leukemia (CLL)<br><b>Asher Chanan-Khan, M.B.B.S., M.D. (MCF)</b> |
| 1:40 | Update on management of Multiple Myeloma<br><b>Rafael Fonseca, M.D. (MCA)</b>                                       |
| 2:00 | Q&A                                                                                                                 |
| 2:20 | Break                                                                                                               |

### **Session: Lymphomas**

Moderator: **Taimur Sher, M.B.B.S., M.D. (MCF)**

|      |                                                                                       |
|------|---------------------------------------------------------------------------------------|
| 2:40 | Update on the Treatment of Hodgkin Disease<br><b>Thomas Habermann M.D. (MCR)</b>      |
| 3:00 | Update on Low-grade Non Hodgkin Lymphoma<br><b>Jose Villasboas Bisneto M.D. (MCR)</b> |
| 3:20 | Update on management of aggressive Lymphomas<br><b>Carrie Thompson, M.D. (MCR)</b>    |
| 3:40 | Q&A                                                                                   |

Program schedule is subject to change without notice.
