COURSE DESCRIPTION

This course is a comprehensive review of hematology/oncology that focuses on the clinical application of new research developments over the preceding year. Didactic presentations will be case-based. Attendees will leave with up-to-date, practical information which will have immediate clinical application. The most important clinical management questions in hematology/oncology will be addressed in highly interactive sessions.

COURSE LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- List new practice changing developments in hematology and medical oncology in 2015 – 2016
- Select the appropriate clinical conditions in oncology and hematology where new treatments were developed in 2015 and 2016
- Identify risks and benefits of new treatments approved by the FDA
- Address the most important management issues in hematology/oncology and select the best treatments based on current evidence

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

This course is intended for practicing hematologists, medical oncologists, scientists, researchers, nurses, physician assistants, pharmacists and clinical research associates.

CREDIT

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 20.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA

This program has been accredited by the American Osteopathic Association for 20.75 credits of AOA Category 2-A.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

GRANTS AND EXHIBITS

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Exhibits will be available for viewing at all scheduled breaks.

REGISTRATION

Register online at ce.mayo.edu/node/6581. The registration fee includes tuition, comprehensive course syllabus (electronic), continental breakfasts, break refreshments, and lunches. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form.
