

Exhibit Invitation

Greetings,

On behalf of the Mayo School of Continuous Professional Development and course directors, A. Noelle Larson, MD and Todd A. Milbrandt, MD., we are pleased to announce the upcoming [Mayo Clinic MN Memorial Pediatric Orthopaedic Symposium 2019](#) to be held at Mayo Clinic in Rochester, MN, **November 8, 2019**.

Course Description

This course is a series of lectures focused on pediatric orthopaedic surgery. This year the focus will be on upper extremity diagnoses and surgical treatments. It will include fracture management, reconstruction techniques, and congenital abnormalities. We will also have a surgical demonstration with an invited guest.

We anticipate 100 attendees at the program. We have 25+ faculty members with expertise in pediatric cardiology, orthopedics, depression, eczema/derm, vaccines and many more topics will be covered.

This is a great opportunity to support this successful event. Thank you for your consideration to exhibit at the Mayo Clinic MN Memorial Pediatric Orthopaedic Symposium 2019.

Exhibit Fee: \$1,500.00

Sincerely,
