Course Description

Mayo Clinic Pediatric Days provides general pediatricians, pediatric subspecialists, family physicians, physician assistants, nurses, nurse practitioners and resident physicians with current information on a variety of medical and surgical conditions affecting children and adolescents.

Course Learning Objectives

- Incorporate medical information from reviews of commonly encountered clinical scenarios into the daily practice of pediatric and adolescent medicine.
- Describe the implications for evaluation and management of patients from information provided during in-depth reviews of the topics of subjects.
- Implement effective clinical strategies for diagnosing and managing a wide array of challenging problems in clinical practice.

Credit

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

College of Medicine, Mayo Clinic, designates this live activity for a maximum of 15.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP

This Live activity, Pediatric Days 2016, with a beginning date of 09/11/2016, has been reviewed and is acceptable for up to 13.25 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
