Registration and additional course information can be found on our NEW course website: [ce.mayo.edu/node/15394](http://ce.mayo.edu/node/15394)

## Course Description

This two day course will provide a multidisciplinary review of nonmelanoma skin cancer (NMSC) and malignant melanoma (MM) with respect to current standards of practice and advances in treatment. The course will review advances in the epidemiology, diagnosis, treatment and prognosis of both melanoma and NMSC, such as Merkel cell carcinoma, and high risk basal cell (BCC) or squamous cell (SCC) carcinoma or other cutaneous malignancies.

## Course Learning Objectives

Upon conclusion of this program, participants should be able to:

1. Determine the epidemiologic burden of NMSC (including SCC, BCC, and Merkel cell carcinoma) and MM
2. Define current staging and prognostic stratification systems for NMSC and MM
3. Interpret recent data on the use of Mohs surgery for the treatment of cutaneous malignancies
4. Identify standard surgical techniques for biopsy and excision of melanoma
5. Examine the use of chemotherapy, immunotherapy and other targeted therapies in the treatment of advanced melanoma
6. Assess emerging therapies in the treatment of advanced melanoma
7. Discuss treatment of localized and advanced Merkel cell carcinoma
8. Discuss treatment of advanced squamous cell carcinoma and basal cell carcinoma
9. Determine the role of a dermatoscope at a basic level to evaluate skin lesions
10. Interpret the role of sentinel node biopsy and lymph node dissection in the management of melanoma

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

## Intended Audience

This course is designed for dermatologists, surgical oncologists, medical oncologists, plastic surgeons, head and neck surgeons, physicians in internal medicine and family practice, physician extenders such as nurse practitioners and physician assistants that practice in the above specialties.

## Credit

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## AOA

This program has been accredited by the American Osteopathic Association for 11.5 credits of AOA Category 2-A.

## Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

## Grants and Exhibits

At the time of this printing, a complete listing of commercial supporters (financial or in-kind) was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Exhibits will be available for viewing at all scheduled breaks.

## Registration

To register online, visit  
[ce.mayo.edu/node/15394](http://ce.mayo.edu/node/15394)

The registration fee includes tuition, comprehensive course syllabus (electronic), continental breakfasts, and break refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon completed registration.
