General Information

COURSE DESCRIPTION

Mayo Clinic's Gastroenterology and Hepatology 2016 is designed to update physicians and other health care providers practicing in gastroenterology and hepatology about new approaches for diagnosis and management of gastrointestinal and liver diseases. Faculty will present data on multiple topics, including inflammatory bowel disease, colorectal neoplasia, general gastroenterology, esophageal, motility, nutrition, pancreaticobiliary disorders, endoscopy and hepatology.

Controversies in diagnosis and management will be analyzed in discussions and concurrent breakout sessions. Complex endoscopy cases and cutting-edge technology will be presented by expert endoscopists in a video forum.

Highlighting the 2016 course is participation by the Presidents of all four major gastroenterology societies in the United States. Presidents include Mayo Clinic consultants Keith D. Lindor, M.D., Kenneth R. DeVault, M.D., Michael Camilleri, M.D., and Douglas O. Faigel, M.D., of AASLD, ACG, AGA and ASGE, respectively. Attendees will have an opportunity to interact with the Presidents at breakfast and lunch sessions.

To maximize time away from practice and enhance your learning experience, three optional educational activities will be offered:

- The American Board of Internal Medicine Maintenance of Certification Learning Session – 2015 Update in Gastroenterology
- Hands-on Endoscopy Workshop
- Advanced Practitioner Afternoon Session

In addition, Mayo Clinic invites you to an open house and tour of its new endoscopic suite located at Mayo Clinic Hospital in Phoenix.

See "Optional Activities" panel for additional details.

COURSE LEARNING OBJECTIVES

Upon completion of this course, participants should be able to:

- Define the role of newer antiviral medications in the treatment of viral hepatitis.
- Summarize the evolving management of cholestatic disorders.
- Describe the treatment approach for patients with inflammatory bowel disease.
- Identify current strategies for the management of *Clostridium difficile* infection.
- Differentiate the newer anticoagulation agents and their management in patients undergoing gastrointestinal endoscopy.
- Develop an approach for patients with esophageal motility disorders, including endoscopic treatment options for achalasia.
- Review options for colorectal cancer screening, including fecal DNA testing.
- Describe treatment options for irritable bowel syndrome.

AMERICAN BOARD OF INTERNAL MEDICINE MAINTENANCE OF CERTIFICATION LEARNING SESSION 2015 UPDATE IN GASTROENTEROLOGY

Thursday, February 25, 2016

2:45 - 4:15 p.m.

Fee \$250 • Pre-registration required

Mayo Clinic will host a Maintenance of Certification Learning Session that will feature the American Board of Internal Medicine (ABIM) 2015 Update in Gastroenterology knowledge module.

The primary purpose of the Learning Session is to facilitate completion of ABIM medical knowledge modules by board-certified internists and subspecialists of internal medicine in order to receive Maintenance of Certification credit. Learning Sessions are conducted in an interactive group setting with educational support, and are led by ABIM-certified physicians.

Participants who are enrolled in ABIM's Maintenance of Certification program can order a copy of the 2015 Update in Gastroenterology from ABIM's website, www.abim.org, and transfer and submit the answers discussed during the Learning Session to ABIM for scoring. Participants will have access to a score report that confirms whether or not the module was completed successfully. Those who complete the module successfully will receive 10 points for completing a 30-question module toward ABIM's Self-Evaluation of Medical Knowledge requirement for Maintenance of Certification. You must be enrolled in ABIM's Maintenance of Certification program to submit completed medical knowledge modules for scoring, feedback reports, and eligibility to receive Maintenance of Certification points and *AMA PRA Category 1 Credit*[™].

For additional information about the ABIM Maintenance of Certification program requirements, visit ABIM's website, www.abim.org or call ABIM Customer Service, (800) 441-ABIM. To enroll in Maintenance of Certification go to your password-protected "Home Page" in the Physician Login section of www.abim.org. Once enrolled, you will be able to order an ABIM medical knowledge module from your home page.

For those not enrolled in ABIM's Maintenance of Certification program, the Learning Session provides an excellent opportunity to earn *AMA PRA Category 1 Credit*[™] directly from Mayo Clinic College of Medicine.

LEARNING OBJECTIVES

Upon completion of this learning session, participants should be able to:

- Demonstrate a comprehensive knowledge of up-to-date clinical gastroenterology and identify areas where additional study may be needed.
- Describe options for the diagnosis, management and therapy of GI diseases.
- Identify strategies for screening and prevention of GI diseases.

DISCLAIMER

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

ADVANCED PRACTITIONER AFTERNOON SESSION

Friday, February 26, 2016
