
Mayo Clinic Talks Podcast: Regenerative Medicine Edition

Activity Description

Regenerative medicine, an evolving field aimed at restoring form and function, is transforming standard-of-care practices across medical and surgical specialties. The traditional perspective of “fighting disease” is shifting to the increasingly actionable paradigm of “restoring health,” revealing a new and unmet skill set imperative for the developing healthcare practitioners.

Through a series of podcast episodes, Mayo Clinic physicians discuss the rapidly evolving fields of regenerative science and medicine, which are widely recognized as the future of healthcare. The topics include assessing new principles and practices that members of the healthcare workforce need to understand in order to safely and effectively delivery regenerative care to patients.

Target Audience

This course is appropriate for physicians, nurse practitioners, physicians’ assistants, nurses and pharmacists in addition to trainees (medical/graduate students, residents and fellows); and particularly relevant for primary care physicians who are interested in addressing patient inquiries about regenerative therapies and learning more about this burgeoning field.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Recognize the fundamental principles, tools, and platforms of regenerative medicine along with current techniques being used to provide regenerative solutions to consumers.
- Examine the process leading to clinical utilization of regenerative therapeutics and review the challenges to effective delivery of regenerative therapeutics,
- Interpret the steps to bring awareness into the community through commercialization and outreach.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 3.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:

Atta Behfar, M.D., Ph.D.	Stock Shareholder (self-managed) Co-Founder	Deverra, Sorento Rion, LLC
Saad Kenderian, M.D., Ch.B.	Grant/Research Support Patents and Royalties	Kite, Gilead, Juno, BMS, Novartis, Humanigen, Lentigen, Tolero, MorphoSys, Sunesis Novartis, Humanigen, Mettaforge

No relevant financial relationship(s) with industry:

Darryl Chutka, M.D.	Nathan Staff M.D., Ph.D.
Richard Hayden, M.D.	Andre Terzic, M.D., Ph.D.
Fredric Meyer, M.D.	Dennis Wigle, M.D., Ph.D.
Daniel Saris, M.D., Ph.D.	Drew Witter, C.C.R.P.
Shane Shapiro, M.D.	Saranya Wyles, M.D., Ph.D.

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

Atta Behfar, M.D., Ph.D.	Abiomed	Impella intra-aortic balloon pump

Disclaimer

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Method of Participation

Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit

To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates

Release Date: April 20, 2021

Expiration Date: April 20, 2024

Acknowledgement of Commercial Support

No commercial support was received in the production of this activity.
