

Mayo School of Continuous Professional Development

# **General Information**

#### **COURSE HIGHLIGHTS**

This three-day course will provide the attendee with a multidisciplinary review of standard of care management practices and state-of-the-art advances in care of the patient with cutaneous melanoma. The first day will focus on epidemiology, prevention, pathology, surgical treatment and advances in genomics and systemic therapy for patients with melanoma.

The last two days are an in-depth immersion into dermoscopy for imaging of melanocytic and nonmelanocytic skin lesions, including three breakout sessions. Participants will develop practical skills that will enable them to be more comfortable approaching patients with atypical skin lesions. This dermoscopy section is primarily targeted to clinicians, but NPs/PAs and residents with a focus on this field will find it valuable as well. The intended audience is dermatologists, surgeons, oncologists, physicians in internal medicine, family practice, and general practice.

#### **CREDIT**

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 20.75 *AMA PRA Category 1 Credits*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Mayo Clinic Scottsdale, AZ Practical Course in Dermoscopy & Update on Malignant Melanoma (Program #21200) is recognized by the American Academy of Dermatology for 20.75 AAD Recognized Credit(s) and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

This Live activity, 10th Annual Practical Course in Dermoscopy & Update on Malignant Melanoma, with a beginning date of 12/04/2015, has been reviewed and is acceptable for up to 20.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been accredited by the American Osteopathic Association for 20.75 credits of AOA Category 2-A.

A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

#### **INTENDED AUDIENCE**

Dermatologists, surgeons, oncologists, physicians in internal medicine, family practice and general practice, and allied health staff with an interest in dermoscopy and malignant melanoma.

#### **COURSE LEARNING OBJECTIVES**

Upon completion of this course, participants should be able to:

#### **DERMOSCOPY**

- Apply pattern analysis and simple algorithms for the identification of skin neoplasms.
- Differentiate melanocytic from non-melanocytic lesions.
- Identify non-melanocytic lesions using dermoscopy.
- Assess the need to biopsy based on dermoscopic findings.
- Describe the specific regional variations for melanocytic morphologies
- Identify situations where dermoscopy is not useful.
- Differentiate other uses for dermoscopy than the analysis of neoplasms.

#### **MELANOMA**

- Define the epidemiology, incidence, and risk factors of cutaneous melanoma.
- Evaluate the important aspects of pathology reports for melanoma and identify the relevant prognostic information.
- Review the standard surgical techniques for biopsy and excision of primary melanoma.
- Summarize the 2 step dermoscopic algorithm and approach for cutaneous lesions.
- Review the recent clinical technology for monitoring high risk patients and diagnosing melanoma.
- Apply recent data regarding excision and sentinel lymph node dissections.
- Review treatment of lentigo maligna and desmoplastic melanoma.
- Review emerging experimental approaches to adjuvant treatment.
- Examine the use of topical therapy for the treatment of in transit or locally recurrent melanoma.
- Apply novel immunotherapy and targeted therapy to multidisciplinary approach of the patient with metastatic melanoma.
- Assess prognosis and treatment of merkel cell carcinoma.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

# **General Information**

# MEETING LOCATION & ACCOMMODATIONS

Westin Kierland Resort & Spa 6902 E. Greenway Parkway Scottsdale, Arizona 85254

Phone: (480) 624-1000 or (800) 354-5892

**Online Reservations:** 

www.starwoodmeeting.com/Book/ Derm2015

Hotel rooms are limited. You are urged to make reservations early. A limited block of guest rooms have been reserved for attendees with a special course rate of \$185 single or double occupancy per night at the Westin Kierland. Group rates will be honored 3 days prior and 3 days following the course dates, based upon space availability. To receive the group rate, reservations will be accepted until group block is full OR until November 5, 2015, whichever comes first. To make your reservation, call (800) 354-5892 and request your group reservation for Mayo Clinic Dermoscopy.

Attendees are responsible for their own reservations. Please note: hotel reservation cancellation policy for the Westin is 7 days prior to your check-in date.

#### **GRANTS/EXHIBITS**

As of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the meeting. Exhibits will be available for viewing at all scheduled breaks.

#### **DISCLAIMER**

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

#### **AMERICAN WITH DISABILITIES ACT**

Mayo Clinic College of Medicine fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity. Email mca.cme@mayo.edu

#### **RECREATION/LEISURE ACTIVITIES**

Visit **www.visitphoenix.com** or **www.scottsdalecvb.com** for recreation and leisure activities.

#### **GROUND TRANSPORTATION**

Hertz is offering a reduced daily rate for participants attending the course. Visit Hertz online and refer to the exclusive CV Number 03NR0010 when making reservations. Special rates include unlimited mileage. Advance reservations are recommended as cars are subject to availability. www.hertz.com

**SuperShuttle** vans offer airport transportation to and from the hotel. To make reservations, call **(800) 258-3826** (toll-free) or **(602) 244-9000** or visit SuperShuttle online.

Travel arrangements are the sole responsibility of the individual registrant.

# **Registration Information**

2015S051 AMA/AAFP/AOA

# **10th Annual Practical Course in Dermoscopy & Update on Malignant Melanoma** December 4-6, 2015

#### \$75 DISCOUNT FOR EARLY REGISTRATION!

Go to ce.mayo.edu – Search Dermoscopy (offer expires November 1, 2015)
Note: When registering online, please be sure to "check-out" after your profile is updated.

	Online registration on or before 11/1/15	Registration by phone, fax or mail
Physicians Active in Practice	\$850	\$925
Resident, Retired and Allied Health	\$750	\$825
Melanoma Self-Assessment Module – Post Course	\$50	\$50
Imaging Self-Assessment Module – Post Course	\$50	\$50

An email confirmation will be sent upon receipt of payment and completed registration. If you do not receive your confirmation, or if you have any questions, please email us at mca.cme@mayo.edu or call (480) 301-4580.

No refund will be granted unless a written notice of cancellation is received. If registration must be cancelled, tuition less a \$75 administrative fee will be refunded when notification is received on or before November 20, 2015. No refunds will be made after this date.

Although it is not Mayo Clinic's policy to limit the number of registrants for a course, conference room facilities may necessitate closure of enrollment. Early registration is strongly recommended. Walk-in registrations cannot be guaranteed. Mayo Clinic will not be responsible for expenses incurred by individuals who are not confirmed for courses with a closed registration status. Costs incurred by the registrant such as airline/hotel fees or penalties are the responsibility of the registrant.

ONLINE SYLLABUS: Your registration fee includes access to an electronic syllabus; a link will be emailed one week prior to the course. This allows you to view, save, or print the syllabus before attending the course. Printed syllabi are no longer available as we continue to go green.

# Program

Friday, De	cember 4, 2015		
7:00 a.m.	Registration and Continental Breakfast		
7:45	Welcome		
SESSION I			
8:00	Update on Malignant Melanoma Steven A. Nelson, M.D.		
8:20	Problematic Pigmented Lesions Lori A. Erickson, M.D.		
8:40	Hereditary Cancer Syndromes		
	Associated with MM Katherine S. Hunt Brendish, M.S., Ph.D., CGC		
9:00	Panel Discussion		
9:20	Refreshment Break		
SESSION II			
9:40	Introduction to Dermoscopy –  2 Step Algorithm David L. Swanson, M.D.		
10:40	Confocal and Other Tools for Pigmented Lesions		
11:00	Biopsy Lessons Learned		
11:20	Panel Discussion		
11:40	Lunch (provided)		
SESSION I	,		
12:40 p.m.	Melanoma Excision:		
1	<b>Evidence and Lessons Learned</b>		
1:00	<b>Treatment of Lentigo Maligna</b> Christopher J. Arpey, M.D.		
1:30	Sentinel Lymph Node Biopsy Nabil Wasif, M.D.		
2:00	Panel Discussion All		
2:20	Refreshment Break		
SESSION I	V		
2:40	Merkel Cell Carcinoma James W. Jakub, M.D.		
3:00	Melanoma Topical Therapy		
3:20	Update on Malignant Melanoma:  Targeted / Immunotherapy		
3:40	Melanoma Tumor Board Cases/Panel Discussion		
4:00	Q&A		
4:30	Adjourn		
Saturday	December 5, 2015		
_			
7:30 a.m.	Continental Breakfast		
8:00	Welcome		
8:05	Pre-Test		
8:15	Basic Structures		
8:45	Nevi and Pattern Analysis Ashfaq A. Marghoob, M.D.		
9:35	Break		
9:50	Melanoma Specific Structures		
10:20	Non-Melanoma Cancer		
10:55	Vascular Structures Margaret C. Oliviero, MSN, ARNP, FNP-BC		
11:15	Benign Neoplasms		
11:45	Lunch (provided)  Nails and Clahama Skin		
12:45 p.m.	Nails and Glaborus Skin		
1:15	Facial Lesions		
1:45	Refreshment Break		
2:00	Breakout Sessions David L. Swanson, M.D.; Ashfaq A. Marghoob, M.D.;		
	Harold S. Rabinovitz, M.D.; Margaret C. Oliviero, MSN, ARNP, FNP-BC; Steven Q. Wang, M.D., Robert H. Johr M.D.		

### Program

4:15

4.15	Q&AAll		
4:45	Adjourn		
Sunday, December 6, 2015			
7:30 a.m.	Continental Breakfast		
8:00	Difficult to Diagnose Melanoma Cases Ashfaq A. Marghoob, M.D.		
8:30	Breakout Sessions David L. Swanson, M.D.; Ashfaq A. Marghoob, M.D.; Harold S. Rabinovitz, M.D.; Margaret C. Oliviero, MSN, ARNP, FNP-BC; Steven Q. Wang, M.D.; Robert H. Johr M.D.		
10:15	Refreshment Break		
10:30	Breakout Sessions David L. Swanson, M.D.; Ashfaq A. Marghoob, M.D.; Harold S. Rabinovitz, M.D.; Margaret C. Oliviero, MSN, ARNP, FNP-BC; Steven Q. Wang, M.D.; Robert H. Johr M.D.		
12:15 p.m.	Lunch (provided)		
1:15	The Problem Patient Steve Q. Wang M.D.		
1:45	Audience Cases Faculty		
2:15	<b>Dermatology In General Derm Practice</b> David L. Swanson, M.D.		
2:45	Interactive 100-Point Test David L. Swanson, M.D.		
3:45	Q&A Faculty		

Program schedule is subject to change without notice.

# **Faculty**
