# Clinical Multidisciplinary **HEMATOLOGY & ONCOLOGY**

The 17th Annual Review

**\$75 DISCOUNT  
IF YOU REGISTER  
ON OR BEFORE  
JAN 15, 2020**

**WESTIN KIERLAND RESORT & SPA  
SCOTTSDALE, ARIZONA  
FEBRUARY 7–9, 2020**

**[CE.MAYO.EDU/HEMONC2020](https://ce.mayo.edu/hemonc2020)**

## COURSE HIGHLIGHTS

- Comprehensive update and management strategies for key hematologic and oncologic diseases and novel cancer immunotherapies
- New data and best practices for practicing physicians and the entire healthcare team
- Case and panel discussions
- Renowned guest and Mayo Clinic faculty
- Continuing education credit offered for physicians, pharmacists and nurses

## TARGET AUDIENCE

This course is designed for physicians, advanced practice providers, pharmacists and nurses interested in the diagnosis and treatment of patients with hematologic and oncologic disorders. Hospitalists, family medicine, general internists or other healthcare professionals may benefit from this program.

## LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Summarize data utilizing combination and cellular therapy approaches for the treatment of relapsed/refractory multiple myeloma.
- Describe new therapies introduced for the treatment of amyloidosis in the past 36 months.
- Examine the role and impact of “prehab” in oncology.
- Review the role of chemotherapy in urothelial cancer.
- Formulate tailored treatment strategies for MPN patients that take into account clinically relevant patient issues and optimize pharmacologic interventions.
- Recognize new developments in the long-term management of patients with immune mediated TTP.
- Identify approaches to front line therapy for relapse and refractory CLL patients.
- Examine the misalignment between reimbursement and socially optimal treatment.
- Recognize the role of uncertainty in pharmaceutical pricing and possible policy responses.
- Describe first line therapy options for recurrent/metastatic head and neck carcinoma.
- Choose the most appropriate adjuvant anti-HER2 therapy in patients who received neoadjuvant anti-HER2 therapy.
- Summarize emerging molecular biological insights that may guide therapy for triple-negative breast cancer.
- Select the most appropriate front line treatment plan for metastatic adenocarcinoma of the lung.
- Determine when to use prophylactic cranial irradiation in small cell lung cancer.

## COURSE DIRECTORS

*Alan H. Bryce, M.D.*

*Rafael Fonseca, M.D.*

# REGISTRATION

CE.MAYO.EDU/HEMONC2020

Registration Fee	On/Before Jan 15, 2020	After Jan 15, 2020
Physicians/Scientists	\$625 USD	\$700 USD
Fellows, Residents, Physician Assistants, Nurse Practitioners, Nurses, Pharmacists	\$475 USD	\$550 USD
Welcome Reception – 2 tickets included in registration fee Additional tickets: Adult – \$60, Child – \$30		
Please visit <a href="http://ce.mayo.edu/cancellation">ce.mayo.edu/cancellation</a> for more information.		

# MEETING LOCATION & ACCOMMODATIONS

## Westin Kierland Resort

6902 East Greenway Parkway | Scottsdale, AZ 85254

Telephone: (800) 354-5892

Online Reservations: <https://book.passkey.com/go/HemOnc2020>

The Westin Kierland Resort has reserved a block of rooms for course participants and guests at a special group rate of \$325 (USD), per room, per night, single or double occupancy, plus applicable city, state and local taxes. Group rates will apply three days prior to and three days after the course dates, based on group room availability.

Children under the age of 17 staying in an adult’s room will stay complimentary. Third or fourth adult person rates are \$50 each. Bell and housekeeping service staff gratuities will be at the individual guest’s discretion. Guest room internet is included in the group rate.

Make your reservation online or call 800-354-5892 before the room block fills or January 14, 2020. When making a reservation, identify yourself as a participant of the “Mayo Clinic Hematology and Oncology” course. Reservation requests received after 5:00 p.m. local time on January 14 will be accepted at the group rate based on group room block availability. The standard hotel reservation cancellation policy will apply unless otherwise specified.

Check-in time is 4:00 p.m.; check-out time is 11:00 a.m.

Resort Fee: Guests may “opt in” or “opt out” of the daily resort services fee, a reduced rate of \$25 per room, per night, plus taxes which includes local and long distance domestic and toll-free guest room calls, access to Agave Spa, Yoga and Well Walk fitness classes, shuttle service on a schedule to Kierland Commons and Scottsdale Quarter for individual use, and tennis course and equipment rental. If guests elect to “opt out” all services and amenities will be available at a la carte pricing.

# TRAVEL

Hertz is offering a reduced daily rate for participants attending the course. Visit Hertz, <http://www.hertz.com/CME2020>, and enter CV03NR0015 in the respective “discount or promo code” section. Special rates include unlimited mileage and are subject to availability. Advance reservations are recommended as cars are subject to availability; blackout dates may apply.

# RECREATIONAL ACTIVITIES

Visit [www.experiencescottsdale.com](http://www.experiencescottsdale.com) or [www.visitphoenix.com](http://www.visitphoenix.com) for leisure activities.

## PROGRAM AT-A-GLANCE

A complete program schedule is available at:

[CE.MAYO.EDU/HEMONC2020](https://CE.MAYO.EDU/HEMONC2020)

### FRIDAY, FEBRUARY 7, 2020

- New Diagnosis in Myeloma
- Relapsed Myeloma in 2020: The Defining Decade
- Amyloidosis 2020
- Waldenstrom
- Chimeric Antigen Receptor (CAR) T-Cells in Aggressive B-Cell Lymphomas
- Indolent Multiple Myeloma
- Advances in Precision Medicine: New Drugs in 2020
- Applying Genomic Testing in Pancreas Cancer
- Immunotherapy in HCC
- Training for the Marathon: The Role and Impact of “Prehab” in Oncology
- Current Landscape in the Management of Urothelial Cancer
- Prostate Cancer

### SATURDAY, FEBRUARY 8, 2020

- Novel Therapies in AML: Focus on Targeted and Immune Agents
- JAKed Up: A Clinically-Based Approach to the Treatment of Myeloproliferative Neoplasms in the Era of Multiple JAK Inhibitors and Novel Therapies
- Thrombosis and Hematologic Malignancy: Who, What and How
- TTP and Thrombotic Microangiopathies: New Treatments and Issues Affecting Clinical Management
- Management of CLL in 2020
- Keynote Presentation: Rethinking Value in an Era of Health Reform
- Melanoma
- Head and Neck Cancer: An Update
- Neo/Adjuvant HER2-Directed Therapy Management
- Novel Therapeutic Strategies for Metastatic gBRCA-Mutated and Triple-Negative Breast Cancers
- Evolving Therapeutic Standards in ER+ Metastatic Breast Cancer

### SUNDAY, FEBRUARY 9, 2020

- Pharmacogenomics in Oncology
- Gynecologic Oncology
- Sarcoma
- Lung Cancer

## CREDIT

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**AMA:** Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 19.75 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**AAFP:** Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

**ACPE:** Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 19.75 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity. Participants must complete the entire activity and are required to complete an online evaluation(s) to earn credit.

Visit the activity's website for additional information regarding the ACPE credit offering.

**ANCC:** Participants can earn up to 19.75 ANCC nursing contact hours commensurate with the extent of their participation in the activity. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

**AOA:** The American Osteopathic Association designates this program for a maximum of 19.75 AOA Category 2-A credits.

**Other Healthcare Professionals:** A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

## FACULTY

### Course Directors

Alan H. Bryce, M.D.

Rafael Fonseca, M.D.

### Guest Faculty

#### **Cecilia Arana Yi, M.D.**

Associate Professor of Medicine  
Leukemia Program Director  
University of New Mexico  
Comprehensive Cancer Center  
Albuquerque, New Mexico

#### **Jorge J. Castillo, M.D.**

Clinical Director, Bing Center for  
Waldenstrom Macroglobulinemia  
Division of Hematological Malignancies,  
Dana-Farber Cancer Institute  
Associate Professor, Harvard Medical School  
Boston, Massachusetts

#### **Spero R. Cataland, M.D.**

Professor, Division of Hematology  
The James Cancer Hospital and  
Solove Research Institute  
The Ohio State University  
Comprehensive Cancer Center  
Columbus, Ohio

#### **Richard S. Finn, M.D.**

Director, Translational Research Laboratory  
Division of Hematology and Oncology  
Assistant Professor of Medicine  
Geffen School of Medicine  
Department of Medicine  
University of California Los Angeles  
Los Angeles, California

#### **Dana P. Goldman, Ph.D.**

Leonard D. Schaeffer  
Director's Chair and Director  
Schaeffer Center for Health Policy & Economics  
Distinguished Professor of Public Policy,  
Pharmacy and Economics  
University of Southern California  
Los Angeles, California

#### **Petros Grivas, M.D., Ph.D.**

Medical Director,  
Genitourinary Cancers Program  
Associate Professor, Division of Oncology,  
Department of Medicine  
University of Washington  
Seattle, Washington

#### **Javier Munoz, M.D., M.S., F.A.C.P.**

Director, Cancer Immunotherapy Program  
Adjunct Assistant Professor,  
Department of Lymphoma/Myeloma  
Banner MD Anderson Cancer Center  
Gilbert, Arizona

#### **Kaushal Parikh, M.B.B.S.**

Consultant  
John Theurer Cancer Center  
Hackensack Meridian Health  
Hackensack University Medical Center  
Hackensack, New Jersey

#### **Robyn M. Scherber, M.D., M.P.H.**

Assistant Professor of Medicine  
Department of Hematology and Oncology  
UT Health San Antonio  
MD Anderson Cancer Center  
San Antonio, Texas

#### **John H. Strickler, M.D.**

Associate Director of Clinical Research,  
GI Oncology  
Assistant Professor of Medicine  
Division of Medical Oncology  
Duke University Medical Center  
Durham, North Carolina

### Mayo Clinic Faculty

Tanios S. Bekaii-Saab, M.D., F.A.C.P.

Ashish V. Chintakuntlawar, M.B.B.S., Ph.D.

Roxana S. Dronca, M.D.

Roberto Leon Ferre, M.D.

Morie A. Gertz, M.D., M.A.C.P.

Matthew P. Goetz, M.D.

Neil E. Kay, M.D.

Jeremy T. Larsen, M.D.

Aaron S. Mansfield, M.D.

Donald W. Northfelt, M.D., F.A.C.P.

Leslie J. Padrnos, M.D.

Sara C. Parke, M.D.

Steven I. Robinson, M.B.B.S.

Allison C. Rosenthal, D.O.

Andrea E. Wahner Hendrickson, M.D.
