MAYO CLINIC
ROCHESTER, MINNESOTA
SEPTEMBER 8, 2018

COURSE DIRECTORS

Amy L. Lightner, M.D.
John H. Pemberton, M.D.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Recognize the optimal timing of operative intervention for ulcerative colitis and Crohn's disease
- Formulate an optimal multidisciplinary treatment plan for patients with inflammatory bowel disease
- Evaluate the effect of biologics on postoperative outcomes
- Determine the optimal approach to staging an ileal pouch anal anastomosis in the setting of immunosuppression and malnutrition
- Interpret the latest data regarding screening practices for colonic dysplasia and deciding when to operate

TARGET AUDIENCE

All providers who care for patients with inflammatory bowel disease including colorectal surgeons, gastroenterologists, nurse practitioners, physician assistants, radiologists, and stoma therapists.

ONLINE REGISTRATION

CE.MAYO.EDU/IBD2018

Physicians/Scientists	\$375
Residents, Physician Assistants and Nurse Practitioners	\$300

CANCELLATION POLICY

Visit ce.mayo.edu for more information.

PROGRAM AT-A-GLANCE

- Deciphering the intersection between medical and surgical therapy for Crohn's Disease
- Acute severe UC: a battle of giants
- Does advanced technology have a role in clinical practice?
- Perianal fistulizing disease...who does it better? GI or Colorectal Surgery?
- Crohn's Proctocolitis is tricky. How do we best manage these situations?
- Navigating difficult cases of penetrating Crohn's Disease
- tA ileal pouch. Best thing ever or wait a minute?

LODGING & ACCOMMODATIONS

Guest rooms have been reserved for attendees and their guests with special course rates at each of the following downtown Rochester hotels. In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of August 16, 2018, whichever comes first. Reservations will be taken following this date based on space and rate availability. Please identify yourself as a participant of the IBD Surgery course when making your reservation.
