ENDOCRINE UPDATE

Gain new insights to provide the most current standard of care for patients with endocrine and metabolic disorders

**23.75
AMA PRA
CATEGORY 1
AND ABIM MOC
POINTS**

SAN JUAN, PUERTO RICO

CARIBE HILTON

FEBRUARY 26-MARCH 2, 2018

COURSE HIGHLIGHTS

- **NEW THIS YEAR:** Access to recordings of the lectures for a limited time after the course
- Case-based, interactive model that highlights multidisciplinary sessions in endocrine diseases and endocrine cancers, laboratory testing, disorders of calcium and bone, diabetes and obesity
- Clinically relevant education from perspectives in surgery, psychology, laboratory medicine, medical oncology, gynecology, etc.
- Opportunities to interact with course faculty during breakfast round table discussions and small group discussions
- Apply what you learn immediately into your practice

TARGET AUDIENCE

This course is intended for clinical endocrinologists, endocrine surgeons, and interested internists.

SELECTED LEARNING OBJECTIVES

- Identify the patient with thyroid cancer that would benefit from less aggressive treatment as determined from pathology findings
- Recognize the patient that would benefit from medical oncology consultation for the management of advanced thyroid cancer
- Apply novel diabetes technology in the management of diabetes
- Demonstrate recent guidelines in their practice for the management of hypoparathyroidism
- Recognize factors and treatment options for the management of the patient gaining weight after bariatric surgery

***SUBMIT A CASE AND BE PART OF THE FACULTY!**

Participants will have an opportunity to present a case to a multidisciplinary panel during our Tumor Board and Oncology Board sessions. You can submit a case that represents either an interesting finding, diagnostic or management challenge to our board of experts for their input. Please see the course website for details and submission instructions. Course registration is required.

CREDIT

Mayo Clinic College of Medicine and Science is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 23.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 23.75 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with ABIM through PARS.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

FUTURE PROGRAM

The 2019 course will be held February 11-15 at the Fairmont Orchid on The Big Island in Hawaii.
