

ESSENTIALS OF CONTINUOUS PROFESSIONAL DEVELOPMENT

Module 4: Develop a Practice Gap and Educational Need

Activity Description

This “Essentials of Continuous Professional Development” activity provides a variety of important educational content and resources for course directors, faculty, and staff which focus on the development of continuous professional development programs. This activity includes topics such as copyright, protected health information, developing an educational need or gap statement, building good assessments, etc.

Module 4: Develop A Practice Gap and Educational Need: Tips for Course Directors

Faculty: Garrett E. Schramm, PharmD, FCCP
Director of Pharmacy Education
Mayo Clinic School of Continuous Professional Development

Learning Objectives

Upon conclusion of this module, participants should be able to:

- Discuss considerations to effectively develop a practice gap and educational need.
- Review course director resources for practice gap and educational need development.

Target Audience

This activity is designed for allied health, healthcare executives, nurses, nurse practitioners, pharmacists, physicians, and physician assistants involved in the planning of continuous professional development activities.

Resources

- Covey, Stephen R. *The Seven Habits of Highly Effective People*. New York: Simon and Schuster, 1989.
- Mayo Clinic School of Continuous Professional Development [Course Director Handbook](http://intranet.mayo.edu/charlie/mayo-school-continuous-professional-development/files/2017/01/FINAL.pdf), MC8038-109rev0719. <http://intranet.mayo.edu/charlie/mayo-school-continuous-professional-development/files/2017/01/FINAL.pdf>
