

Multidisciplinary Neuro-Oncology Symposium: Updates in Medical and Surgical Management of Brain Tumors

March 6-7, 2020

Friday, March 6, 2020	
7:00 - 7:45 a.m.	Registration & Continental Breakfast
7:45 - 8:00	Welcome & Announcements <i>Kaisorn L. Chaichana, M.D. & Alfredo Quiñones-Hinojosa, M.D.</i>
Gliomas <i>Moderator: Alfredo Quiñones-Hinojosa, M.D.</i>	
8:00	Current and New Developments in the Surgical Management of High and Low-Grade Gliomas <i>Alfredo Quiñones-Hinojosa, M.D.</i>
8:20	Current and New Developments in Neuro-Oncology Clinical Trials for High-Grade and Low Grade Gliomas <i>Kurt A. Jaeckle, M.D.</i>
8:40	Current and New Developments in Radiation Therapy for High and Low Grade Gliomas <i>Jennifer L. Peterson, M.D.</i>
9:00	Neuro-Cognitive Testing Associated with Brain Tumor Surgery <i>David S. Sabsevitz, Ph.D.</i>
9:20	Q&A Panel <i>Alfredo Quiñones-Hinojosa, M.D., Kurt A. Jaeckle, M.D., Jennifer L. Peterson, M.D. and David S. Sabsevitz, Ph.D.</i>
9:50	Refreshment Break & Exhibits
10:05	Neuropathology Updates in Categorizing Gliomas <i>Mark E. Jentoft, M.D.</i>
10:25	Radiographic Assessment in the Pre And Postoperative Period (Fmri, DTI, Perfusion Etc) <i>Erik H. Middlebrooks, M.D.</i>
10:45	Basic Science Developments in Understanding Glioma Cell of Origin <i>Hugo Guerrero Cazares, M.D., Ph.D.</i>
11:05	Basic Science Developments on Glioma Cell Metabolism <i>Paula V. Schiapparelli, Ph.D.</i>
11:25	Q&A Panel <i>Mark E. Jentoft, M.D., Erik H. Middlebrooks, M.D., Hugo Guerrero Cazares, M.D., Ph.D. and Paula V. Schiapparelli, Ph.D.</i>
11:55 - 12:55 p.m.	Buffet Lunch, Networking, & Exhibits
Pituitary Tumors <i>Moderator: Kaisorn L. Chaichana, M.D.</i>	
12:55	Current and New Developments in the Surgical Treatment of Pituitary Tumors <i>Kaisorn L. Chaichana, M.D.</i>
1:25	Endocrinological Workup and Postop Management <i>Sarika N. Rao, D.O.</i>
1:55	Ophthalmological Evaluation for Pituitary and Skull Base Tumors <i>Eric R. Eggenberger, D.O.</i>
2:25	Q&A <i>Kaisorn L. Chaichana, M.D., Sarika N. Rao, D.O. and Eric R. Eggenberger, D.O.</i>
2:45	Refreshment Break & Exhibits
3:00	Patient Journey – GBM, Metastatic, Meningioma or Skull Base, Pituitary Tumor Patients TBD
4:30	Adjourn
5:00	Welcome Reception, Networking and E-Posters

Multidisciplinary Neuro-Oncology Symposium: Updates in Medical and Surgical Management of Brain Tumors

March 6-7, 2020

Saturday, March 7, 2020	
7:00 - 7:45 a.m.	Registration & Continental Breakfast
Metastatic Brain Tumors Moderators: Kaisorn L. Chaichana, M.D.	
8:00	Current and New Developments in The Surgical Management of Metastatic Brain Tumors <i>Kaisorn L. Chaichana, M.D.</i>
8:20	Current and New Developments in Neuro-Oncology Clinical Trials for Metastatic Brain Tumors <i>Steven S. Rosenfeld, M.D., Ph.D.</i>
8:40	Current and New Developments in Radiation Therapy for Metastatic Brain Tumors <i>Daniel M. Trifiletti, M.D.</i>
9:00	Physical Therapy for Patients with Brain Tumors <i>Kenneth Ngo, M.D.</i>
9:20	Q&A Panel <i>Kaisorn L. Chaichana, M.D., Steven S. Rosenfeld, M.D., Ph.D., Daniel M. Trifiletti, M.D. and Kenneth Ngo, M.D.</i>
9:50	Refreshment Break & Exhibits
10:05	Basic Science Developments in Metastatic Animal Models <i>Rachel Sarabia Estrada, D.V.M., Ph.D.</i>
10:35	Understanding the Metastatic Process <i>Keila N. Alvarado Estrada</i>
11:05	Advance Practice Providers and Role in Postop Brain Tumor Care <i>Robert L. Webb, P.A.-C.</i>
11:35	Q&A Panel <i>Rachel Sarabia Estrada, D.V.M., Ph.D., Keila N. Alvarado Estrada and Robert L. Webb, P.A.-C.</i>
11:55 - 12:55 p.m.	Buffet Lunch, Networking, & Exhibits
Meningiomas and Skull Base Tumors Moderator: Alfredo Quiñones-Hinojosa, M.D.	
12:55	Current and New Developments in the Surgical Management of Skull Base And Meningiomas <i>Alfredo Quiñones-Hinojosa, M.D.</i>
1:25	Current and New Developments in Neuro-Oncology Clinical Trials for Meningiomas and Skull Base Tumors <i>Julie E. Hammack, M.D.</i>
1:55	Current and New Developments in Radiation Therapy for Meningiomas and Skull Base Tumors <i>William C. Stross, M.D.</i>
2:25	Q&A <i>Alfredo Quiñones-Hinojosa, M.D., Julie E. Hammack, M.D. and William C. Stross, M.D.</i>
2:45	Adjourn
