RISE for Equity: Reflect, Inspire, Strengthen & Empower 2021
November 4-6, 2021

ERIN K. O'BRIEN, M.D.

Dr. O'Brien is an associate professor in the department of Otolaryngology-Head and Neck Surgery at Mayo Clinic Rochester. She is the department's first diversity leader and current chair of the division of rhinology. She is a founding member of the Women in Rhinology section of the American Rhinologic Society and current chair of the Academy of Otolaryngology committee on Rhinology. She has spoken at national meetings and academic institutions on microaggressions in medicine.
