Physical Medicine and Rehabilitation Board Review: Oral Board Mastery - Online CME

**Activity Description**
The Physical Medicine and Rehabilitation Board Review - Oral Board Mastery - Online CME course is designed for candidates preparing for the Part II examination in physical medicine and rehabilitation. Through a combination of didactic lecture, case vignettes and optional mock oral examinations, the PM&R Board Review course helps guide study and preparation for all learners.

**Target Audience**
The Mayo Clinic Physical Medicine and Rehabilitation Board Review is designed for candidates preparing for certifying and maintenance of certification examinations in physical medicine and rehabilitation.

**Learning Objectives**
Upon conclusion of this activity, participants should be able to:

- Describe the common conditions treated by Physical Medicine and Rehabilitation
- Recall the most appropriate and effective treatment pathways for commonly seen conditions in a physiatric practice
- Demonstrate medical knowledge and the application of this knowledge to patient care
- Exhibit interpersonal and communication skills that result in effective information exchange and learning with patients, their families, and other health professionals

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**Accreditation Statement**

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**Credit Statement(s)**

**AMA**
The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 16.25 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Credit Breakdown:**
Online Session: 15.25 *AMA PRA Category 1 Credits™*
Practice Oral Exam: 1.00 *AMA PRA Category 1 Credit™*

**Disclosure Summary**
As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.
Financial relationship(s):

Jonathan T. Finnoff, D.O.  Consultant  Medical advisory board for COVR Medical, Aim Specialty Health, and Sanofi
Grant/Research Support  Regenerative Medicine Minnesota research grant
Other  Royalties from Demos publishing and Up to Date

No Financial relationship(s):

Erica Bellamkonda, M.D.  Cara P. Prideaux, M.D.
Andrea J. Boon, M.D.  Amy E. Rabatin, M.D.
Jeffrey S. Brault, D.O.  Billie A. Schultz, M.D.
Andrea L. Cheville, M.D.  Jacob L. Sellon, M.D.
Robert W. DePompolo, M.D.  Randy A. Shelerud, M.D.
Kristin L. Garlanger, D.O.  Carmen M. Terzic, M.D., Ph.D.
Brian E. Grogg, M.D.  Jeffrey M. Thompson, M.D.
John H. Hollman, Ph.D.  David C. Weber, M.D.
Margaret A. Moutvic, M.D.  Stephen J. Wisniewski, M.D.
Thomas P. Pittelkow, D.O., M.P.H.

Reference to off-label usage(s) of pharmaceuticals or instruments in their presentation:

Amy E. Rabatin, M.D.  Clonidine, Tizanidine, Gabapentin, Botulinum Toxin
Billie A. Schultz, M.D.  Amantadine for brain injury recovery, antidepressant medications for headache prophylaxis
