General Information

COURSE DESCRIPTION

This state-of-the-art conference, offered in cooperation with the Pancreatic Cancer Action Network, Translational Genomics Research Institute (TGen) and HonorHealth, is designed to provide a multidisciplinary overview regarding the molecular biology of pancreatic cancer and the importance of early diagnosis and treatment considerations, including surgery, new pharmacological agents, and how to incorporate these options into daily clinical practice. The program format will utilize case presentations, open Q&A, and an interactive keypad system to generate participant feedback and develop an optimal learning experience between faculty and course participants.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be able to:

- Identify patients who will benefit from radiation therapy
- Incorporate novel agents in clinical care and clinical trial participation
- Explain palliative care management of the symptomatic patient
- Describe molecular biology of pancreatic cancer
- Describe the role of the poly ADP ribose polymerase (PARP) inhibitors and DNA damaging agents in the treatment of pancreatic cancer
- Select the appropriate regimen for first and second line therapy in treating advanced pancreatic cancer
- Describe the differences in staging between borderline and unresectable locally advanced pancreatic cancer
- Identify patients with resectable pancreatic cancer who are candidates for a minimally invasive procedure
- Explain the role of proton therapy and potential uses in pancreatic cancer

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE

This course is designed for surgeons and physicians who specialize in hematology-oncology, gastroenterology, radiation-oncology, medical oncology, as well as, pain specialists, NPs, PAs, RNs, and healthcare professionals involved in cancer care. Also of interest to general internal medicine physicians who may want to enhance their oncology knowledge.

CREDIT

Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of *10.25 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program has been accredited by the American Osteopathic Association for *10.25 credits of AOA Category 2-A*.

Other Health Care Professionals: A record of attendance will be available to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
