## HELPING YOUR PATIENTS

We are dedicated to providing your patients support to help them start and continue taking ORGOVYX™ (relugolix) as prescribed. We know how important it is for patients to stay on track while on treatment. We're here to help.

### Here's what the ORGOVYX Support Program has to offer:

#### Reimbursement support

We can help assist your patients with access challenges

#### ORGOVYX Free Trial Program

Eligible patients who are new to ORGOVYX can get up to a 2-month supply of medication at no cost

#### Financial assistance

We offer options to help your eligible patients afford their treatment, including copay assistance for commercially insured patients

#### ORGOVYX Bridge Program

Eligible commercially insured patients who are experiencing coverage issues can receive ORGOVYX at no cost for a limited period of time

#### Nurse support

We are here to support your enrolled patients with check-in calls to help answer general questions about ORGOVYX and offer lifestyle tips

#### ORGOVYX Education

We provide educational resources to help support your patients throughout their treatment

# ORGOVYX FREE TRIAL PROGRAM

— UP TO —  
**2 MONTHS  
FREE\***

**The ORGOVYX Free Trial Program is designed to help your eligible patient get started on ORGOVYX.**

Patients who have not previously been prescribed ORGOVYX™ (relugolix) can get up to a 2-month supply at no cost. Patients must meet the program eligibility requirements.\*

\*The ORGOVYX Free Trial Program (FTP) provides an up to 2-month supply of ORGOVYX at no cost to patients who meet FTP eligibility requirements and who agree to the FTP terms and conditions by submitting a signed FTP enrollment form. (i) FTP is a free trial offer, intended solely to allow new patients to try ORGOVYX and to determine with their healthcare provider whether ORGOVYX is right for them. There is no obligation to continue use of ORGOVYX after the free trial has been completed; (ii) to be eligible, patient must: (1) reside in the United States or Puerto Rico and (2) be a new patient not currently using ORGOVYX or who previously received ORGOVYX through the FTP; (iii) ORGOVYX supplied through the FTP will be dispensed only through a pharmacy designated by Myovant Sciences up to the limits above; (iv) product may only be delivered to the patient's home address (no P.O. boxes) or the prescribing healthcare provider's office; (v) it is unlawful for any person to sell, purchase, trade, barter or export ORGOVYX supplied through the FTP or make an offer to do so; (vi) ORGOVYX supplied through the FTP may not be billed (in whole or part, directly or indirectly) to any patient or third-party payer, including Medicare, Medicaid and commercial insurance plans; (vii) Myovant Sciences reserves the right to change or discontinue the FTP at any time without notice; (viii) the FTP is not health insurance; (ix) the FTP is not a discount, rebate, coupon, cost-sharing program or other form of financial assistance and no portion of the value of the FTP product may count as a patient out-of-pocket expense under any health insurance program; (x) ORGOVYX supplied free of charge through the FTP is not contingent on continued use of ORGOVYX. To continue a patient on therapy, a separate prescription must be written by the healthcare provider; (xi) the FTP is void where prohibited by law and where use is prohibited by the patient's insurance provider.

# ORGOVYX BRIDGE PROGRAM

The **ORGOVYX Bridge Program** can help commercially insured patients get access to treatment by providing ORGOVYX™ (relugolix) at no cost if they are:

- Experiencing a lapse or delay in coverage
- Waiting for approval from their insurance provider

**Eligible patients may receive ORGOVYX at no cost for a limited period of time.<sup>†</sup>**

<sup>†</sup>The ORGOVYX Bridge Program ("Program") provides ORGOVYX at no cost for a limited period (up to 4 months) to eligible, commercially-insured patients whose insurance coverage is delayed or who experience a temporary lapse in coverage. This Program is not valid for patients whose prescription claims are reimbursed, in whole or in part, by any state or federal government program, including, but not limited to, Medicaid, Medicare, Medigap, Department of Defense (DoD), Veterans Affairs (VA), TRICARE, Puerto Rico Government insurance, or any state patient or pharmaceutical assistance program. Prescribers must complete the Bridge prescription on the start form. By participating, patient acknowledges intent to pursue insurance coverage for ORGOVYX with their health care provider. Program requires the submission of a request for coverage within 9 months post-Program initiation in order to remain eligible. Patients will receive their maintenance drug supply each month for up to 12 months or until they receive insurance coverage approval, whichever occurs earlier. Program is not available to patients who are uninsured or where prohibited by law. Patients may be asked to reverify insurance coverage status during the course of the Program. Patient and participating prescribers agree not to seek reimbursement for all or any part of the benefit received by the patient through this Program. No purchase necessary. Program is not health insurance, nor is participation a guarantee of insurance coverage. Other limitations may apply. Myovant Sciences reserves the right to rescind, revoke, or amend the Program and discontinue support at any time without notice.
