PEDIATRIC DAYS

October 5-6, 2015

Westin Michigan Avenue • Chicago, Illinois

Optional Pre-Course Maintenance
of Certification Sessions:
Sunday, October 4, 2015

Mark your calendars and plan to join us at the Westin Michigan Avenue for Mayo Clinic Pediatric Days.

Mayo Clinic Pediatric Days is designed for pediatricians, family physicians, and advanced practice professionals to provide attendees with state-of-the-art information on medical conditions affecting children and adolescents. Faculty will address new developments in pediatric and adolescent medicine as well as topics identified by previous course attendees.
