INTENDED AUDIENCE

This course is intended for all members of the nephrology community and will be of interest to nephrologists, internists, primary care physicians, specialists, trainees, nurse practitioners and physician assistants who participate in the care of patients with kidney disorders and kidney and/or pancreas transplants.

PROGRAM DESCRIPTION

The **16TH ANNUAL MAYO CLINIC UPDATE IN NEPHROLOGY AND TRANSPLANTATION** is a two-day course designed to update participants on a range of nephrology topics relevant to current medical practice. Through a combination of lectures, literature review, and case-based presentation, this course will deliver up-to-date and cutting edge information that can be directly integrated into clinical practice.
