Pathways to Physician Diversity: A National Summit
Poster Submission Requirements

The Pathways in Physician Diversity Conference welcomes posters for display during the conference. Topics for the poster should be based on the various themes for the conference including:

- Pipeline programs for K-12 and undergraduate students
- Medical student selection models
- Innovations in the MD/PhD diversity pipeline
- Community activities that support the medical education pipeline for diverse students
- The role of funders in developing the pipeline for medical education diversity
- New metrics for assessment of activity within the medical education pipeline
- Partnerships and collaborations in support of medical student diversity

The planners welcome posters that address other related topics.

PRINTED POSTER SPECIFICATIONS

Posters at the Pathways in Diversity Conference will be displayed on double-sided display boards that are 48"x96" (4' tall x 8' wide). Pushpins, Velcro or double-sided tape will be made available for mounting your poster.

Your poster(s) will be on display during the entire conference which will take place February 9 - 10, 2018. Please setup your poster(s) between 8–9am on Friday, February 9, 2018.

Your printed poster should be 48" high x 48" wide (4'x4').

WHAT A POSTER SHOULD INCLUDE

You are free to design your poster to best showcase your work, through images, graphs, text, infographics or photos. It is recommended that the following information be included to fully outline your presentation to the audience:

- Title: project title
- Authors: your name, names of collaborators, and organization
- Background (or Introduction)
- Research Question or Purpose
- Methods or Interventions
- Results (or Results and Applications)
- Summary/Conclusions or Future Directions
- Acknowledgments: include any sources of funding your project received

CE credit will not be awarded for viewing posters. We encourage you, however, to disclose any financial relationships of the authors with commercial interests on your poster. This is not a requirement.

Your submission should be an abstract or short description of your program/topic. You are not required to submit the actual poster. Please send your submission to mca.cme@mayo.edu by **January 26, 2018**. Submissions made after this date will be considered on a space available basis.
