

Minnesota Breast Imaging Review Course

Saturday, September 26, 2015

Self-Assessment Module (SAM) Offered

6:45 a.m.	Registration and Continental Breakfast for Meeting Participants
7:20 a.m.	Welcome and Announcements
7:30 a.m.	BI-RADS: Update and Review – SAM I Robert T. Fazzio, MD, PhD
8:00 a.m.	The Breast Imaging Audit: A Tool To Help Your Practice – SAM I Robert W. Maxwell, MD
8:30 a.m.	SAM Test and Question Discussion Robert T. Fazzio, MD, PhD and Robert W. Maxwell, MD
8:45 a.m.	Shared Decision Making: Screening Mammography for Women 40 to 49 Ellen Abeln, MD
9:15 a.m.	Contrast Enhanced Mammography Update Jessica Kuehn-Hajder, MD
9:45 a.m.	Break
10:00 a.m.	Going Nuclear: Molecular Breast Imaging for Screening Women with Dense Breasts Katie N. Jones, MD
10:30 a.m.	Future Screening With Breast MRI: Can We Stop Doing Mammography? Michael T. Nelson, MD
11:00 a.m.	Breast Imaging: How Do We Demonstrate Our Value Richard Ellis, MD
11:30 a.m.	Faculty Panel Discussion Faculty
12:00 p.m.	Lunch
12:45 p.m.	Aggressive Benign Breast Disease: Imaging, Diagnosis and Concordance Robert T. Fazzio, MD, PhD
1:15 p.m.	High-risk Lesions Identified on Core Needle Biopsy: How To Manage Richard Ellis, MD
1:45 p.m.	Using Breast Imaging to Predict Response to Neoadjuvant Therapy Douglas Yee, MD
2:15 p.m.	Break
2:30 p.m.	The Radiology of Breast Cancer Molecular Subtypes: An Introduction Tim H. Emory, MD
3:00 p.m.	Breast Cancer Molecular Subtype/Imaging Correlation Tim H. Emory, MD
3:30 p.m.	Techniques in Ultrasound Guided Biopsy Robert W. Maxwell, MD
4:00 p.m.	Faculty Panel Discussion Faculty
4:30 p.m.	Session Adjourns for the Day

Sunday, September 27, 2015
Self-Assessment Module (SAM) Offered

6:45 a.m.	Continental Breakfast for Meeting Participants
7:25 a.m.	Announcements
7:30 a.m.	Comprehensive Diagnostic Evaluation: What the Treatment Team Needs to Know Richard Ellis, MD
8:00 a.m.	Breast Arterial Calcification: What Makes it Special? Dana H. Whaley, MD
8:30 a.m.	Approach to Breast Calcifications – SAM II Robert T. Fazzio, MD, PhD
9:00 a.m.	Borderlands of Breast Pathology – SAM II Tara L. Henrichsen, MD
9:30 a.m.	SAM Test and Question Discussion Robert T. Fazzio, MD, PhD and Tara L. Henrichsen, MD
9:45 a.m.	Break
10:00 a.m.	The Radiologist and the Patient: Breaking Through the Dense Fog Amy L. Conners, MD
10:30 a.m.	Breast Cancer Screening: Understanding the Past to Improve the Future Tara L. Henrichsen, MD
11:00 a.m.	The Breast Imaging Report: Do's and Don'ts Robert W. Maxwell, MD
11:30 a.m.	Faculty Panel Discussion Faculty
12:00 p.m.	Course Concludes
