

Scholarship Nomination Request for

Mayo Clinic Electrophysiology Review for Boards and Recertification

August 14 – 16, 2015 • Siebens Building • Mayo Clinic • Rochester, Minnesota

August 17, 2015 • Special Session: Transeptal and Epicardial Workshop

We would like to offer a scholarship to an exceptional fellow to attend our **2015 Electrophysiology Review for Boards and Recertification course – August 14 – 16, 2015** and **Live Cases & Animal Lab Transeptal and Epicardial Workshop – August 17, 2015**. This course is an extensive three-day course, which covers all areas of clinical cardiac electrophysiology through both didactic teaching as well as interactive board simulation question/answer sessions. For full content details, please visit the course website: ce.mayo.edu/cardiology.

We are offering a scholarship program in which one outstanding current fellow from an ACGME accredited EP fellowship program will be selected. The fellow will receive complimentary course tuition including the special session on Monday, lodging for the duration of the course, as well as a DVD set of the previous year's lectures. It would be envisioned that this fellow take this information back to hold teaching and discussion sessions with his/her peers.

The selection process will be based upon the qualities of:

- knowledge of clinical cardiac electrophysiology diseases
- interest in education
- leadership that the fellow has been able to demonstrate

If you would be interested in recommending one of your outstanding current fellows for this program, please send a letter of recommendation, completed application form, and a copy of their curriculum vitae to:

Mayo Clinic – EP Scholarship Program

ATTN: Ms. Deborah Feils

200 1st Street SW – Gonda 6-472

Rochester, MN 55905

E-mail: feils.deborah@mayo.edu

The deadline for receipt of the letter/application/CV is **May 1, 2015**.

Thank you very much in advance for your consideration. We look forward to hearing from you.

Sincerely,

Course Directors

Paul A. Friedman, M.D.

Thomas M. Munger, M.D.
