

## Shana E. Clark, BA, CCRP

---

---

Shana Clark is a Certified Clinical Research Professional and Co-founder of MentorSeed, providing improved accessibility to mentorship for healthcare professionals and beyond.

Her passion for mentorship, diversity and inclusion stem from her own personal experiences of hardships and success. These experiences have driven her desire to break barriers to opportunity through mentoring and innovation.

She began peer mentoring in high school and later went on to serve as Youth Advisor and mentor for young girls with Zeta Phi Beta Sorority Incorporated. She has also served as a peer mentor in her professional roles.

She graduated with a B.A. in Sociology with an emphasis in Diversity, Magna Cum Laude, from Arizona State University.

She lives in Phoenix, AZ with her husband and only son.
