

Updates in Family Medicine

Online CME

Activity Description

This Mayo Clinic and Kaiser Permanente collaboration offers a comprehensive family medicine update course designed for practicing primary care and family physicians. This course highlights the latest recommendations involving medical specialties important to the primary care setting that can be applied immediately into practice.

Course Highlights

- Up-to-date content focused on the needs of the primary care provider
- High-yield, clinical pearls presented with each talk
- Practical, cutting-edge information that can be applied immediately to your daily practice

Target Audience

This course is designed for family physicians, general internists, physician assistants, nurse practitioners, and nurses in primary care and family medicine.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Discuss goals and treatment targets in diabetes management
- Describe the risks and benefits of common diets
- Identify patients that may benefit from weight loss medications

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 10.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial

relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:

Name	Nature of Relationship	Company
None		

No relevant financial relationship(s) with industry:

Name		
Matthew E. Bernard, M.D.		Miguel A. Park, M.D.
Christina Chen, M.D.		Sean T. Powell, M.D.
Adam G. Gildea, M.D.		Julie Reed
Margaret C. Gill, M.D.		Daniel B. Ryssman, M.D.
Nathan A. Jacobson, D.O.		Terry D. Schneekloth, M.D.
Sunil V. Mankad, M.D.		David B. Soma, M.D.
Rozalina G. McCoy, M.D., M.S.		Kristin S. Vickers, Ph.D., L.P.
Matthew J. Lutch, M.D.		Nathan P. Young, D.O.
Adrienne A. Nassar, M.D.		

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

Name	Manufacturer/Provider	Product/Device
Terry D. Schneekloth, M.D.	Generic drugs	Topiramate, gabapentin, baclofen, odansetron
