Ziad M. El-Zoghby, MD, FACP
Mira T. Keddis, MD
Ivan E. Porter, II, MD
Qi Qian, MD
Hani Wadei, MD, FASN, FAST

COURSE DESCRIPTION

The 17th Annual Mayo Clinic Update in Nephrology and Transplantation is a two-day course designed to update participants on a range of nephrology topics relevant to current medical practice. Through a combination of lectures, literature review, and case-based presentations, this course will deliver up-to-date and cutting edge information that can be directly integrated into clinical practice.

INTENDED AUDIENCE

Nephrologists, transplant surgeons, hematologists, oncologists, internists, primary care physicians, family practice physicians, other specialists, medical trainees, and advanced practice providers.

LEARNING OBJECTIVES

At the completion of the general course, participants should be able to:

- Identify renal complications of novel cancer therapeutic agents.
- Critique suggested wait times prior to receiving a kidney transplant for various cancers.
- Summarize recent developments and challenges in treating polycystic kidney disease.
- Compare various donor options for any particular renal failure patient.
- Construct a management plan for an incidentally discovered renal cyst/mass.
- Critique various treatment strategies for hyperkalemia and hyponatremia.

Bedside Ultrasonography for the Nephrologist: Hands-On Workshop

- Perform ultrasound of the kidneys, bladder, large vessels and lungs.
- Recognize common pathology detected by ultrasound examination
- Review and apply the principles of central line placement

CRRT: Hands-On Workshop

- Enumerate the various forms of CRRT
- Identify the indications of CRRT

MEET THE EXPERT SESSIONS

- Hypertension – Primary and Secondary
- PCKD, Lumps, Bumps, and Cancer
- Pregnancy, Kidney Disease and Women's Health
- Urolithiasis
- Transplantation

PROGRAM SCHEDULE

A complete schedule is available online.

CREDIT

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the

Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 20.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CALL FOR ABSTRACTS

Abstract submissions are now being accepted for the 17th Annual Mayo Clinic Update in Nephrology and Transplantation course. Abstracts should be based on original research in the field of Nephrology and Kidney and/or Pancreas Transplantation. Case reports will also be considered. Accepted abstracts will be presented at dedicated poster sessions.
