Mayo Clinic Wound Symposium: The Edges of Wound Care - Online CME Course

Activity Description
Designed to provide the latest diagnostic and treatment strategies for comprehensive wound management. The program is multidisciplinary with faculty representing various wound-related fields. This online educational course includes didactic sessions, demonstrations, and case presentations that offer comprehensive wound-management strategies (from basics to high-level). The course meets the continuing education needs of a range of wound care providers.

Target Audience
This course is designed for physicians, pedorthists, podiatrists, advanced practice providers (NP/PA), WOC, CNS, RN, LPN, physical therapists, dietitians, medical trainees (medical students, residents, fellows, etc.) and others who care for patients with wounds.

Learning Objectives
Upon conclusion of this activity, participants should be able to:

• Identify the principles underlying the care of chronic wounds
• Describe systemic factors that may impair healing
• Describe specific diagnostic tests related to wound assessment
• Assess multiple modalities in wound care
• Review advances in wound healing therapeutics as related to regenerative medicine

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)
AMA
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 8.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 8.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physical Therapy
Co-sponsored by the Program in Physical Therapy, Mayo Clinic College of Medicine and Science / Mayo Clinic School of Health Sciences. This enduring material meets the criteria for 7.5 hours of credit per Minnesota
Physical Therapy Rules 5601.2400, 5601.2500.

Subpart 1. Courses. The board shall automatically grant continuing education credit meeting the standards of part 5601.2500 for educational activities in items A to C as follows: A. any course planned, sponsored, or cosponsored by an accredited university or college, medical school, state or national medical or osteopathic association, or a national medical specialty society; D. One hour of credit shall be given for each 60 minutes actually spent on educational activities.

Other Healthcare Professionals:
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary
As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with ineligible companies:

Disclaimer
Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation
There are no prerequisites needed prior to participating in this education activity.

Method of Participation
Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit
To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates
- Release Date: December 30, 2022
- Expiration Date: December 29, 2025

Acknowledgement of Commercial Support
No commercial support was received in the production of this activity.
