Hospital Medicine from Admission to Discharge: Inpatient Medicine for NPs & PAs – Online

Activity Description

Hospital care models are transforming, and nurse practitioners and physician assistants play vital roles in the care delivery of hospitalized patients. Hospital Medicine from Admission to Discharge: Inpatient Medicine for NPs & PAs – Online fills your CME needs. This course emphasizes clinical management of hospitalized patients with evidence-based lectures by experts in treatment pathways from admission to discharge.

Target Audience

This course is intended for Physicians, Physician Assistants, Nurse Practitioners, and Nurses in the Hospital and Inpatient Medicine settings.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Identify current evidence-based practice recommendations in specialties such as cardiology, infectious disease, nephrology, gastroenterology, and hospital medicine.
- Recall when and how to initiate appropriate and timely consultation with specialty services.
- Recall and discuss practice updates for patients with sepsis to decrease in-hospital mortality, length of stay, and improve patient outcomes.
- Recall three daily priorities when caring for multiple, high acuity hospitalized patients.
- Recall how to provide high-level care to all patients based on the most recent practice guidelines, medical evidence and standards of care.

Participation in this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 20.00 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 20 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacology Content

Select presentations will contain pharmacology content as noted in the program. Identified presentations represent approximately 8 hours of pharmacology content.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 20 AAPA Category 1 CME credits. Approval is valid until 03/18/2023. PAs should only claim credit commensurate with the extent of their participation.

Other Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Disclosure Summary

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Financial relationship(s):

Robert D. McBane, II M.D. Grant/Research Support

Bristol Myers Squibb

No Financial relationship(s):
