

Healthcare Supply Chain – A Mayo Clinic Perspective 2020

Activity Description

Mayo Clinic Supply Chain Management (SCM) has been ranked one of the top healthcare supply chains in the United States according to Gartner. Mayo SCM views supply chain strategy differently than most other healthcare organizations. This course is designed to share Mayo's perspective on how healthcare supply chain can operate as a top decibel performer, with an eye toward future technology, analytics and processes.

Target Audience

This course is designed for middle-level to executive-level healthcare participants with involvement or interest in Supply Chain Management principles & techniques.

Learning Objectives*

Upon conclusion of this activity, participants should be able to:

- Aspects of SCM that make Mayo Clinic unique versus its peers
- Alignment of staff resources and processes that create a collegial environment toward advancement of patient care
- Forward-thinking concepts and ideas that keep Mayo SCM well-positioned for the future

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement*

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)* AMA

The Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 8.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Disclosure Summary*

As a provider accredited by Joint Accreditation Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with industry:

None

No relevant financial relationship(s) with industry:

James (Jim) R. Francis

Daniel K. Schmitz
