Acute Care of the Complex Hospitalized Patient for NPs & PAs Online Course

Activity Description
NPs and PAs play a vital role in the care delivery of hospitalized patients. Recent data from the Society of Hospital Medicine states that over 70% of Hospital Medicine groups now employ NPPAs. This online course focuses on providing the most up-to-date, evidence-based guidelines and treatment pathways necessary to optimally care for acute care, hospitalized patients and is applicable to physicians, hospitalists, NPs, PAs, advanced practice nurses and RNs, from novice to experienced. The course covers topics in critical care, hospital general medicine, oncology, surgery, neurology, cardiology, psychology, pain management and other medical subspecialties.

Target Audience
This course is designed for hospitalists, nurse practitioners, physician assistants, advance practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives
Upon conclusion of this activity, participants should be able to:
• Recognize a rational approach to assessment and management of the high acuity hospitalized patient.
• Review an action plan based on scientific rationale, evidence-based standards of care, and practice guidelines.
• Review appropriate and timely consultation when necessary.
• Identify heart failure management in complex hospitalized patients.
• Review the impact the COVID pandemic has had on patients with substance abuse disorders and be able to provide evidence-based treatment options.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)
AMA
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 20.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA
Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 20.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate
with the extent of their participation.

**ANCC**
Mayo Clinic College of Medicine and Science designates this activity for a maximum of 20.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

**Other Healthcare Professionals:**
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

**Disclosure Summary**
As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

**Listed below are individuals with control of the content of this program who have disclosed...**

**Relevant financial relationship(s) with ineligible companies:**

Disclaimer
Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation
There are no prerequisites needed prior to participating in this education activity.

Method of Participation
Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit
To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates
- Release Date: November 21, 2023
- Renewal Date: (If applicable)
- Expiration Date: November 20, 2026

Acknowledgement of Commercial Support
No commercial support was received in the production of this activity.
