Commercial Driver Medical Examiner Training: Improving Transportation Safety through Education and Certification Online Course

Activity Description
This course reviews medical conditions encountered while performing CMV examinations, utilizing a case-based interactive approach focused on efficiently addressing complex clinical issues. The training includes the following core competencies: 1) The role of the examiner in enhancing public safety; 2) Diagnostic approaches in assessing medical fitness of the commercial driver; 3) Navigating clinical and administrative issues commonly encountered in driver medical certification; 4) Understanding and effectively managing the complexity of the physical requirements and stresses involved in operating commercial vehicles; 5) Strategies for prevention and health promotion for CMV drivers. Content focuses on the core curriculum required by the Federal Motor Carrier Safety Administration (FMCSA). Following completion of this training, participants receive the certification required to take the NRCME examination.

Target Audience
This activity is designed for health care professionals who will be performing DOT examinations, or who have an interest in promoting wellness in the population of professional drivers.

Learning Objectives
Upon conclusion of this activity, participants should be able to:
• Identify the specific physical and mental demands associated with operating a commercial motor vehicle (CMV).
• Recognize the responsibilities of a CMV driver.
• Recognize potentially disqualifying health conditions in the examination process.
• Identify parameters for safely proceeding with work duties.
• Review the requirements for the medical history and physical examination of a CMV operator.
• Review strategies for efficiently conducting forensic evaluations, including addressing difficult issues in the certification process.
• Identify a variety of strategies for promoting improved health and wellness in this cohort of individuals.
• Recognize the step-by-step process of registering for FMCSA exam and NRCME registry.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement
In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)
AMA
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 5.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 5.50 ANCC
contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary
As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with ineligible companies:

<table>
<thead>
<tr>
<th>Name</th>
<th>Nature of Relationship</th>
<th>Company</th>
</tr>
</thead>
<tbody>
<tr>
<td>Clayton T. Cowl, MD, MS</td>
<td>Honoraria</td>
<td>Organicell Regenerative Medicine</td>

Disclaimer
Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation
There are no prerequisites needed prior to participating in this education activity.

Method of Participation
Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.
How to Obtain Credit
To obtain credit, complete the assessment, and submit.

Release and Expiration Dates
- Release Date: November 20, 2023
- Renewal Date: (If applicable)
- Expiration Date: November 19, 2026

Acknowledgement of Commercial Support
No commercial support was received in the production of this activity.
