

Integrative Oncology for Healthcare Professionals Online Course

Activity Description

This course aims to establish a training program for APPs who wish to learn and practice Integrative Oncology across the Mayo Clinic Comprehensive Cancer Center. The proposed training would allow APPs to return to their practices with tools to improve patient's quality of life, ensure safe supplement use, and counsel patients on cannabis use.

Target Audience

This activity is appropriate for Nurses, Nurse Practitioners, Pharmacists, Physicians, Physician Assistants, Resident Fellows.

Learning Objectives

Upon conclusion of this activity, participants should be able to:

- Recognize how lifestyle factors can improve patient outcomes.
- Identify common supplements along with their safe use for patients with cancer.
- Identify the role of cannabis/psychedelics use.
- Define communication strategies to communicate with patients about alternative medicine practices.
- Identify the definition along with the scope of integrative oncology practice, including how to assess patients.
- Define integrative therapies to improve patient quality of life.
- Recognize how the principles of integrative oncology can be incorporated into daily practice.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 30.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPE

Mayo Clinic College of Medicine and Science designates this educational activity for a maximum of 30.50 ACPE Knowledge-based contact hours. Participants should claim only the credit commensurate with the extent of their participation in the activity.

UAN Number:

ANCC

Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 30.50 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AAPA

Mayo Clinic College of Medicine and Science has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. Approval is valid until 06/15/2028. This activity is designated for 30.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed...

Relevant financial relationship(s) with ineligible companies:

Stacy D. D'Andre Intellectual Property 10763942 Canada Inc. (dba PurMinds NeuroPharma)

All relevant financial relationships listed for these individuals have been mitigated.

No relevant financial relationship(s) with ineligible companies:

Lisa L. Ellsworth, P.A.-C.,
Maggie B. Kruger, D.N.P., R.N., O.C.N.,
Amy Kuth, M.A.
Molly Mallory
Morgan C. Miller, APRN, C.N.P., D.N.P.,
Heather N. Montane, P.A.-C., M.S.,
Angela Murad
Andrea L. Randall, Pharm.D., M.S., R.Ph.,
Linde Sifuentes
Mark B. Berry

References to off-label and/or investigational usage(s) of pharmaceuticals or instruments in their presentation:

None

Disclaimer

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prerequisites for Participation

There are no prerequisites needed prior to participating in this education activity.

Method of Participation

Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit

To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates

Release Date:	June 30, 2025
Renewal Date:	to be determined
Expiration Date:	June 29, 2028.

Acknowledgement of Commercial Support

No commercial support was received in the production of this activity.
