Neurology in Clinical Practice Online Course

Activity Description
Mayo Clinic Neurology in Clinical Practice online course will explore common neurology clinical problems and is intended to provide a comprehensive, evidence-based review of recent advances in the evaluation, diagnosis, treatment and management of neurological disorders.

Target Audience
This course is designed for any provider who sees patients with neurologic disease including neurologists, psychiatrists, primary care physicians, internists, family care practitioners, nurse practitioners, physician assistants, and nurses.

Learning Objectives
Upon conclusion of this activity, participants should be able to:

- Recognize red flags in common neurologic disorders
- Discuss factors influencing therapeutic decisions in migraine management
- Cite the importance of palliative care in neurologic illnesses
- Describe the impact of recent trials on standard acute ischemic stroke care
- Evaluate emerging disease-modifying therapies in Parkinson's disease

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

Accreditation Statement

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement(s)

AMA
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 16.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC
Mayo Clinic College of Medicine and Science designates this enduring material for a maximum of 16.00 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

AOA
The American Osteopathic Association designates this program for a maximum of 16.00. AOA Category 2-A credits.

ABS
Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME and Self-Assessment requirements of the American Board of Surgery’s Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Other Healthcare Professionals
A record of attendance will be provided to all registrants for requesting credits in accordance with state nursing boards, specialty societies or other professional associations.

Disclosure Summary

As a provider accredited by Joint Accreditation for Interprofessional Continuing Education, Mayo Clinic College of Medicine and Science must ensure balance, independence, objectivity and scientific rigor in its educational activities. All who are in a position to control the content are required to disclose all financial relationships with any ineligible company. Faculty will also identify any off-label and/or investigational use of pharmaceuticals or instruments discussed in their content for FDA compliance.

Listed below are individuals with control of the content of this program who have disclosed…

Relevant financial relationship(s) with ineligible companies:

Disclaimer

Participation in this Mayo Clinic educational activity does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course. You should be aware that substantive developments in the medical field covered by this recording may have occurred since the date of original release.

Prospective attendees, please note that the content for this online activity has been repurposed from the live education activity Mayo Clinic Neurology in Clinical Practice 2026, 6/25/2026 – 6/27/2026. If you attended the live activity, you have already received credit for these educational sessions.

Prerequisites for Participation
There are no prerequisites needed prior to participating in this education activity.

Method of Participation
Participation in this activity consists of reviewing the educational material, completing the learner assessment and evaluation.

How to Obtain Credit
To obtain credit, complete the assessment, evaluation and submit.

Release and Expiration Dates
Release Date:	November 23, 2026
Renewal Date:	(If applicable)
Expiration Date:	November 22, 2028

Acknowledgement of Commercial Support
No commercial support was received in the production of this activity.
