Highlights

This course will provide multidisciplinary comprehensive update and management strategies of issues in hematologic and oncologic malignancies presenting new disease classification, treatment, and challenging cases. Topics focus on key hematologic diseases (dysproteinemias, acute and chronic leukemias, lymphomas), key solid tumors (breast, melanoma, GI, GU), and overlap topics of supportive, ancillary and diagnostic care and more. New techniques in radiotherapy (proton beam). AMA, Nursing and ACPE credits are offered at this course.

Who Should Attend

- Hematologists
- Medical Oncologists
- Physician Assistants
- Nurse Practitioners
- Nurses
- Pharmacists
- Radiation Oncologists
- Anyone interested in the diagnosis and treatment of hematologic and oncologic

Meeting Location & Accommodations

**The Omni Scottsdale Resort & Spa at Montelucia • 4949 East Lincoln Drive
Scottsdale, Arizona 85253 • www.montelucia.com • (480) 627-3200 or (888) 627-3010**

Nestled at the foot of Camelback Mountain and surrounded by the Sonoran Desert, the Omni Scottsdale Resort and Spa at Montelucia brings the essence of Europe to the heart of Scottsdale.

A special group rate of \$295 (USD), per room per night, plus applicable city/state sales tax, single or double occupancy, is extended to course participants and guests. Group rates apply three days prior to and three days post-course dates, based upon availability. Guest room internet is complimentary; daily fitness center access is \$15 per person per day.

To ensure accommodations, make your reservation and reference **Mayo Clinic Hematology and Oncology**. Please note unused guest rooms within the group room block will revert back to the hotel January 7, 2016. Reservations will be taken following this date based upon room and rate availability. Attendees are responsible for their own reservations.
