COURSE HIGHLIGHTS

- State-of-the-art instruction on comprehensive evaluation and management of challenging laryngeal-related disorders and corresponding rehabilitation techniques.
- Multi-disciplinary approach on a wide variety of voice and swallowing topics, surgical procedures and techniques for post-surgical swallow rehabilitation, and post laryngectomy voice restoration.
- Evidence-based lectures.
- Multidisciplinary panel discussions with case presentations.
- Live demonstrations.
- Interactive question and answer with Mayo Clinic and guest faculty.
- Live-stream Webcast available.

Optional 1/2-day workshops on Thursday, March 31, 2022 (separate registration required)

- Advanced Laryngectomy Rehabilitation: Hands-on TEP Management
- Affordable Choices for Voices: Evaluation and Treatment Directions
- Office Based Laryngology Procedures: Hands-on Lab

TARGET AUDIENCE

This course is designed for physicians and surgeons, mid-Level health care providers, otolaryngology residents, and Speech Language Pathologists, as well as graduate students in the SLP audience. Specialties include: Otorhinolaryngology, internal medicine, speech-language pathology, pulmonary, integrative medicine, radiation oncology and medical oncology.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:
(General Session)

- Identify functional disorders of the larynx that account for frequently misdiagnosed etiologies of voice and swallowing disorders.
- Manage head and neck cancer-related swallowing disorders that can be immediately implemented into practice.
- Explain various pediatric voice disorders and treatment options.
- Differentiate diagnostic characteristics among muscle tension dysphonia, vocal tremor, and spasmodic dysphonia, for optimal treatment.
- Describe variables in treatment of muscle tension dysphonia in singers.

Following attendance at this workshop, participants should be able to:
(Workshops)

- Advanced Laryngectomy Rehabilitation: Hands-on TEP Management–Assess voice prostheses in a laryngectomee and evaluate methods for sizing and techniques for placement.–Determine the proper heat and moisture exchange system for laryngectomees and instruct the patient on placement and management.
- Affordable Choices for Voices and What Therapy Tools Work for What?–Perform low-cost, yet comprehensive, acoustic and aerodynamic voice assessment.
- Office-Based Laryngology Procedures: Hands-on Lab–Evaluate optimal techniques for performing a variety of office based procedures.–Identify methods and tools used to perform office-based procedures.–Assess when to use of an office-based procedure vs. surgery.

Accreditation Statement

JOINT ACCREDITATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 22.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. [General Session: 13.50; Workshops: 4.00 - 4.50 each (maximum of 8.50)]

MOC ABOHNS Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn their required annual part II self-assessment credit in the American Board of Otolaryngology – Head and Neck Surgery's Continuing Certification program (formerly known as MOC).

It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of recognizing participation.

Other Healthcare Professionals A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations. Check the course website for a complete list of credit offerings.
