

Welcome to the 46th Annual Gulf Atlantic Resident Research Conference, the annual meeting of the anesthesiology residency training programs of the Southern and Southeastern states. This meeting has a long tradition and we are pleased to host this year's event in Jacksonville, FL. We hope you will enjoy these next 2 days of academic sessions, educational exhibits, and recreational activities that we have planned for you. Please note that the interactive workshops on Saturday afternoon are at no cost to you.

A special thank you goes to our industry sponsors. Without their support this meeting would not have been possible in its current form. So please enjoy their exhibits and thank them for their support.

Please do not hesitate to find any of our staff if you have any questions or concerns. We hope you find this meeting fun and educational and if you do, please spread the word among your peers.

Sincerely,

Klaus Torp, MD
Co-Director
Mayo Clinic

J. Ross Renew, MD
Co-Director
Mayo Clinic

Beth Ladlie, MD
Residency Director
Mayo Clinic
