

## Uberlube Clinical Reference

### INTENDED USE

Uberlube is a personal lubricant intended to moisturize and lubricate, to enhance the ease and comfort of intimate sexual activity and supplement the body's natural lubrication.

Uberlube is a registered medical device with FDA, CE, CCN, ARTG.

Uberlube is pure silicone with a trace amount of vitamin E to improve the finish and leave a smooth sensation.

Dimethicone

Dimethiconol

Cyclomethicone

Tocopheryl Acetate (Vitamin E)

Uberlube is cruelty free with no animal products and vegan friendly. No gluten, no glycerin, no parabens, no scents and flavors.

Uberlube is compatible with natural rubber latex and polyisoprene condoms. Uberlube is not compatible with polyurethane condoms.

Uberlube may interact with silicone including hard plastic silicone. To know for sure try uberlube on a small area. Clean after use for best results.

Uberlube has not been tested for fertility and is not recommended when trying to become pregnant.

"Uberlube is the silicone lubricant of choice. I think your product is terrific, and great feedback from my patients."  
Lynn Y Wang MD FACOG, Main Line Gynecologic Oncology, Lankenau Medical Center, Wynnewood PA

"I highly recommend Uberlube to my patients of all ages. They in turn have given very positive comments regarding this great product. It has made a difference in women's lives and their relationships."  
Linda Dominguez WHNP, Women's Health Nurse Practitioner, Albuquerque NM

"I treat many postmenopausal ladies in my practice and they consistently comment on how helpful Uberlube has been in improving their life. The ladies who do not use hormonal medications are especially happy to find a product that works so well and remains safe for them to use."  
Brian P Barrow MD FACOG, Transylvania Women's Care, Brevard NC

"I am a practicing Obstetrician Gynecologist. I frequently prescribe uberlube for patients that are suffering from painful relations due to dryness as well as Atrophic conditions. Uberlube is a fantastic product that offers patients relief from painful conditions that other products have failed to do so. This is a great product."  
Mark A Weissman MD, Buffalo NY

"My patients love your product! I also use Uberlube during pelvic exams to make the examination more comfortable for my patients. What a great company to provide such a high quality and effective product!"  
Aleece Fosnight PA-C CSC CSE, Pisgah Urology, Brevard NC  
President of the Association of PAs in OBGYN (APAOG)

"I have one patient quoted as saying it is the 8th wonder of the world and it saved her marriage! I recommend Uberlube for almost all my patients."  
Lauren N Britt DO, Lake Ob-Gyn Associates, Leesburg FL
