

## ABSTRACTS (2 pages)

---

**Overview:** As part of the [7th Annual Mayo Clinic Sports Medicine for the Clinician 2023](#), the presentation of original research related to the field of sports medicine will be held at the meeting. Submitted abstracts may include proposed guidelines, ongoing randomized trials in Sports Medicine, outcome studies, quality improvement projects, practice innovations, and interesting case reports. Accepted abstract recipients will be notified by email after the deadline, **Tuesday, February 14, 2023**. At least one of the authors must register and attend the live conference.

Submit an abstract for work in the area of Sports Medicine. Submitted abstracts may include: case series, case-control studies, randomized trials, outcome studies, quality improvement projects, practice innovations, and interesting case reports. These are for paper poster presentations that will be peer-reviewed. Approved paper posters will need to be 3 feet wide by 4 feet high in dimensions. For further information, please email [FLA CME Abstracts](#).

**Abstract Eligibility:** All abstracts will be reviewed based on their merit by a peer-reviewed process for acceptance at the course. Original abstracts that either have or have not been presented at other meetings will be considered. Abstracts are eligible if they have been published; abstracts based upon full papers that have been published are also eligible.

**Research Competition:** Outstanding abstracts will be selected for paper poster presentation format at the Sports Medicine for the Clinician 2023 Course.

**Submission Deadline:** Abstract submission deadline is **Tuesday, February 14, 2023**

**Notification of Results:** All primary authors will be notified by email after the above deadline if their submission has been selected for the electronic poster session and additional details will follow.

Registration is required for all paper poster presenters.
