

May 2023

Greetings,

On behalf of course director Robyn E. Finney, APRN, CRNA, DNAP and the Mayo Clinic School of Continuous Professional Development we are pleased to announce this year's [48th Annual Mayo Clinic Seminar for Nurse Anesthetists](#), October 25-27, 2023.

### **Course Description**

The 48th Annual Mayo Clinic Seminar for Nurse Anesthetists offers the latest evidence-based updates in today's standard of anesthesia care. Expert Mayo Clinic faculty provide an overview of the most recent advances in anesthesiology management, pharmacology and wellness within the anesthesia community. Attendees leave with a better understanding of new research and current guidelines that are immediately applicable to clinical practice.

### **Course Highlights Include**

Pharmacology credit available \* Evening networking reception \* Poster sessions

### **Target Audience**

This course is designed to provide an overview of the most recent advances in anesthesiology management, pharmacology and wellness among healthcare professionals of the perioperative team, including: CRNAs, physician anesthesiologists, RNs, PAs, and NPs. We anticipate having 100-150 attendees again this year.

### **Exhibit Information**

We would like to invite you to exhibit at the course. The exhibit fee is \$2,000 and includes a 6' exhibit table. Space is limited and reserved upon receipt of a completed exhibitor agreement. If you are interested in exhibiting, please complete the [online exhibitor registration and letter of agreement](#). If you do not have a profile/account you will first need to create one before completing the online form.

### **Live Exhibit Benefits:**

- Promotion available at the live course
- Exhibitors are invited to participate in all food and beverage events, which include breakfast, lunch, refreshment breaks, and reception
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors
- Includes a 6ft table, two chairs and linen at the course
- An attendee list including registered attendee's name, credentials, city, and state demographics distributed during the conference
- Vendor recognition in opening announcements, on the break slides, and on the attendee-only conference website
- Education area is separate from the exhibit area

We look forward to the success of our 48th Annual Mayo Clinic Seminar for Nurse Anesthetists 2023! If you have any questions, please feel free to contact us.

Sincerely,
