

May 9, 2023

Dear Exhibitor,

On behalf of course directors; W. David Freeman, M.D., Kevin M. Barrett, M.D., Waleed Brinjikji, M.D., Zafer Keser, M.D., Cumara O'Carroll, M.D., M.P.H., Rabih G. Tawk, M.D., Lesia Mooney RN, SCRN, Suzanne Brown, RN, SCRN, and Amanda Tomlinson, APRN, we hope you will consider a display opportunity at our **15th Annual Stroke and Cerebrovascular Disease 2023** course held **September 20-September 23, 2023**, at **The Ritz-Carlton Amelia Island, Amelia Island, Florida**. We expect around 200 neurologists, neurosurgeons, interventional neuroradiologists, primary care physicians, emergency department physicians and allied health staff participating in vascular neurology, nationally and internationally. This course will provide attendees with an update of all major areas of clinical interest in vascular neurology.

Display Fees for this 2-day course are as follows:

\$2,500 – Live Exhibit

\$2,000 – Virtual Exhibit

\$3,500 – Both Live and Virtual

Display fees are \$2,500 to exhibit September 21-22, 2023, exhibiting will not be available on September 20, 2023, for the Pre-Course Offering: Allied Health Session.

Space is limited and table assignments will be made on a first come, first served basis. We are offering additional advertisement/sponsorship opportunities to expand reach and further socialize with attendees.

Live Exhibit Benefits:

- Promotion available at the live 2-day course from registration until the conclusion of the final lecture on the last day
- Exhibitors are provided the same meals and beverages provided to registered attendees.
- Attendees are encouraged daily by the course moderator to visit and connect with the exhibitors.
- Includes a 6-foot table and two chairs.

Virtual Exhibit Benefits:

- Promotion available from the time a company signs the LOA and exhibit booth website is built until 9/19/2024.
- Listing in the online exhibitor directory linked to your company website and landing page (listing will be in the alphabetical order.)

- Exhibit booth customization, options include PowerPoint slide, PDF handout or video.
- To maintain a clear separation of promotion from education, the virtual exhibit opportunity will be available on a separate webpage tab than where course materials are accessible.

Mayo Clinic, an integrated, not-for-profit group practice, is committed to meeting its responsibility as a national medical education resource and is accredited by the Accreditation Council for Continuing Medical Education to provide 25.50 *AMA PRA Category 1 Credit(s)*[™] for this course.

Our programs provide valuable information on unmet needs to the medical community. We sincerely appreciate your consideration and hope you will take the opportunity to join us for a truly unique educational program.

Sincerely,

Denise L. Klarich

Additional Advertisement Opportunities

Reception - (Exclusive-Included with Platinum Sponsorship Level)

This reception features cocktails and hors d'oeuvres. The Sponsor will receive signage and recognition at the event along with cocktail napkins with your company's logo.

Non-CME Promotional Symposia- \$20,000

These non-accredited programs, independently developed and directly sponsored by industry, are presented in an educational format that will provide insight on new or controversial developments. Promotional symposia may not conflict with 15th Annual Stroke and Cerebrovascular Disease Review 2023 programming. There are multiple dates and times available. (Includes food, beverage, and audio/visual equipment - No CME credit.)

Conference Bags - \$5,000 – (Exclusive)

Display your company logo for all attendees to see and announce your presence at the conference. Your company will provide a high-resolution logo to be printed on conference bags ordered by managing committee. All bags will contain flyers and advertisements from other participants. (Artwork to be provided by sponsoring company and is subject to MCSCPD approval)

Lanyards - \$3,000 (Exclusive)

All attendee badges will be distributed with a lanyard to display the badge throughout the conference. The Lanyard will prominently display your company name and logo or the World Congress design, whichever you choose. (Artwork to be provided by sponsoring company and is subject to MCSCPD approval)

Internet- \$3,000 (Exclusive)

Help attendees stay connected with their office and home while away at the 15th Annual Stroke and Cerebrovascular Disease Review 2023 conference. Sponsor the wireless internet access in the meeting space. The supporter will be recognized throughout the meeting in signage and electronic communications.

Hotel Key Card- \$3,000 (Exclusive)

Personalize hotel guest room keys with your company's logo or product promotion for immediate exposure to attendees. Use this as a great way to introduce yourselves to our attendees upon checking into the hotel. (Artwork to be provided by sponsoring company and is subject to MCSCPD approval)

Conference Bag Inserts- \$2,000

Conference bag inserts are a great opportunity to invite attendees to your booth, announce your booth participation or conference-related event. Your company will provide 200 copies of a flyer or booklet advertisement (no larger than 8 ½ x 11) and MCSCPD will stuff them into the official conference bags. Multiple Opportunities Available

Request for Taxpayer Identification Number and Certification

Give Form to the requester. Do not send to the IRS.

▶ Go to www.irs.gov/FormW9 for instructions and the latest information.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Mayo Clinic Jacksonville

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

Individual/sole proprietor or single-member LLC

C Corporation

S Corporation

Partnership

Trust/estate

Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

7 List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

COURSE HIGHLIGHTS

- This course provides attendees with an update on all major areas of clinical interest in vascular neurology
- Lectures cover management of acute ischemic stroke, brain hemorrhage, and symptomatic and asymptomatic vascular lesions, including arteriovenous malformations, cavernous malformations, cerebral aneurysms, and carotid stenosis
- The course covers the latest diagnostic and therapeutic approaches to stroke
- Lectures are supplemented with highlights of images in clinical vascular neurology and group discussions of clinical vignettes

TARGET AUDIENCE

This course is designed for neurologists, neurosurgeons, interventional neuroradiologists, primary care physicians, emergency department physicians, residents, vascular neurology fellows, and stroke center team members, including nurse practitioners, nurses, physician assistants, physical and occupational therapists and speech therapists.

LEARNING OBJECTIVES

Upon conclusion of this program, participants should be able to:

- Recognize the eligibility for intravenous thrombolysis (ie. TPA) in acute ischemic stroke, and endovascular therapy candidates with large vessel occlusion (LVO)
- Recognize the signs and symptoms of stroke that prompt emergency evaluation and earlier evidence-based treatment

- Evaluate the data and outcomes of clinical trials and the impact on treatment options for stroke patients
- Describe recent developments in stroke prevention strategies
- Discuss standard and new treatment options for cerebrovascular diseases
- Identify modifiable stroke risk factors and interventions
