

Call for Poster Abstracts for the 2023 Mayo Clinic Care that Fits Conference

Conference Date: September 13-15, 2023

Location: Mayo Clinic Siebens Building | Rochester, Minnesota

Proposal submission deadline: Sunday, August 20th, 11:59 PM Central Time. Please submit via word document or PDF.

Notification of acceptance: Monday, August 28, 2023

Posters should be about “Care that Fits” and can be completed studies, in-progress work, or in planning phases. We will not exclude previously presented work. Case studies are also welcome. “Care that Fits” topics include but are not limited to shared decision making, minimally disruptive medicine (decreasing treatment burden, increasing patient capacity), person-centered care examples or interventions, and patient experience research or stories.

Posters will be on display on Wednesday, September 13 during the lunch hour (12:30-2:30 pm). It is the expectation that one presenter will be available at their poster during to engage in discussion regarding their work.

Fees: There are no fees associated with the submission of poster abstracts. There is no waiver of registration fees for acceptance of poster presentation, and the poster presenter is expected to register for live attendance at the meeting.

Please submit the abstract in the following format:

Original Research (300 words)

- Title
- Author(s)
- Purpose
- Population
- Methods
- Results
- Conclusions including relevance to Care that Fits
- References

Case Study (300 words)

- Title
- Author(s)
- Background
- Case Description
- Intervention(s)

- Outcomes
- Conclusions including relevance to Care that Fits
- References

Special Interest Topic (300 words)

- Title
- Author(s)
- Purpose
- Description
- Summary/Recommendation
- Conclusions including relevance to Care that Fits
- References

Important Notes:

- Please submit poster abstracts to Boehmer.kasey@mayo.edu with subject line of “Care that Fits Poster Abstract”
- If any questions, please reach out to Boehmer.kasey@mayo.edu
