

Symposium on Anesthesia and Perioperative Medicine 2024: Total Perioperative Care of the Patient in a Multidisciplinary Model April 4-6, 2024

*All times listed as **Eastern Time***

Thursday, April 4, 2024	
	Course Registration and Continental Breakfast
7:15 a.m.	Welcome and Overview of the Day
The Anesthesia Team as the Perioperative Leader	
7:30 a.m.	The Importance of Multidisciplinary Care Charles R. Sims III, M.D. Objective: AANA Content Code:
8:00 a.m.	How Do We Live Out "The Needs of the Patient Come First"? Alberto E. Ardon, M.D., M.P.H. Objective: AANA Content Code:
8:30 a.m.	What Impact Can I Possibly Have? I'm Just "Anesthesia" Ryan M. Chadha, M.D. Objective: AANA Content Code:
9:00 a.m.	Break
Preoperative Evaluation	
9:15 a.m.	Preoperative Evaluation - What Tests Do We Really Need? Sher-Lu Pai, M.D. Objective: AANA Content Code:
9:45 a.m.	Frailty in Preoperative Evaluation Dora Syin, M.D. Objective: AANA Content Code:
10:15 a.m.	Streamlining and Automating the Preoperative Clinic Process Joan M. Irizarry Alvarado, M.D. Objective: AANA Content Code:
10:45 a.m.	Break
System Improvement via a Team Model	
11:00 a.m.	Examples From the Real World: CRNAs as Agents of System Change Perioperative Use of Heparin - On-demand Blood Bank Initiative - Robotic Emergencies – Ultrasound Education – TBA presenters Objective: AANA Content Code:
11:45 a.m.	Panel Discussion
12:00 p.m.	Day in Review
12:15 p.m.	Adjourn

Friday, April 5, 2024	
	Course Registration and Continental Breakfast
7:15 a.m.	Welcome and Overview of the Day
Innovative Surgical Pathways	
7:30 a.m.	Outpatient Total Joint Arthroplasties - Keys to Success Cameron K. Ledford, M.D. Objective: AANA Content Code:
8:00 a.m.	Dr. Quinones's Perspective & Updates About Awake Brain Surgery and Dean of Research Updates at Mayo Clinic Florida Alfredo Quinones-Hinojosa, M.D. Objective: AANA Content Code:
8:30 a.m.	Advanced Pulmonary Procedures in the Pulmonology Suite Sebastian Fernandez-Bussy, M.D. Objective: AANA Content Code:
9:00 a.m.	Break
Innovation for the New Complex Patient	
9:15 a.m.	Case Studies: What Medication Would You Use to Sedate.... Joshua D. Stearns, M.D. Objective: AANA Content Code:
9:45 a.m.	Optimizing the Sick Cardiac Patient for Ambulatory Surgery Ashley V. Fritz, D.O. Objective: AANA Content Code:
10:15 a.m.	Recent Trends in Ambulatory Surgery Alberto E. Ardon, M.D., M.P.H. Objective: AANA Content Code:
10:45 a.m.	Break
Recovery	
11:00 a.m.	Case Studies: Preventing PACU Urgencies and Emergencies TBA presenters Objective: AANA Content Code:
11:30 a.m.	PACU Discharge Does Not Mean "Recovery Complete" Sindhu R. Nimma, M.D. Objective: AANA Content Code:
12:00 p.m.	Medicolegal Implications of Anesthetic Care Layne M. Bettini, M.D., J.D. Objective: AANA Content Code:
12:30 p.m.	Day in Review
12:45 p.m.	Adjourn
Regional Anesthesia Workshop (Optional, additional fee to attend, pre-registration required, in-person attendees only)	
1:00 p.m. - 3:00 p.m.	Blocks Every Ambulatory Anesthesiologist Should Know Alberto E. Ardon, M.D., M.P.H., Hari K. Kalagara, M.B.B.S., M.D., Sindhuja

	R. Nimma M.D., David P. Seamans, M.D. and others Objective: AANA Content Code:
--	--

Saturday, April 6, 2023	
	Course Registration and Continental Breakfast
7:15 a.m.	Welcome and Overview of the Day
Regional Anesthesia and POCUS	
7:30 a.m.	POCUS and Peripheral Nerve Blocks: Show Me Real World Examples Hari K. Kalagara, M.B.B.S., M.D., Sindhuja R. Nimma M.D. Objective: AANA Content Code:
8:15 a.m.	Regional Anesthesia Panel: Are Newer Blocks Actually Useful? What About Nerve Injury Risk? Beth A. VanderWielen, M.D. and David P. Seamans, M.D. Objective: AANA Content Code:
9:00 a.m.	Break
ERAS and beyond	
9:15 a.m.	ERAS for Cesarean Section Emily E. Sharpe, M.D. Objective: AANA Content Code:
9:45 a.m.	Robotic Surgery - Is There a Benefit in Urology? David D. Thiel, M.D. Objective: AANA Content Code:
10:15 a.m.	Are Protocols Really Beneficial? Charles R. Sims III, M.D. Objective: AANA Content Code:
10:45 a.m.	Break
11:00 a.m.	Pro/Con: Impact of Simulation in Learning. David P. Seamans, M.D. and Beth L. Ladlie, M.D. Objective: AANA Content Code:
11:45 a.m.	Normothermic Perfusion of the Liver Layne M. Bettini, M.D., J.D. Objective: AANA Content Code:
12:15 p.m.	Putting it All Together - Symposium Wrap-up Alberto E. Ardon, M.D. and Joshua D. Stearns, M.D. Objective: AANA Content Code:
12:30 p.m.	Course Adjourns
