Dear Representative:

On behalf of the Department of Anesthesiology and the Mayo Clinic School of Continuous Professional Development, I would like to invite you to exhibit at the upcoming Mayo Clinic Symposium on Anesthesia and Perioperative Medicine course. The course is April 4-6, 2024 at One Ocean Resort in Atlantic Beach, Florida. Great interest from commercial companies with products and services which will be of interest to our attendees is expected.

The full program schedule is posted to the [course website](#). This collaborative effort is based upon a physician, nurse anesthetist, and education planning committee review of several needs assessments compiled from anesthesia professionals, as well as information provided by industry journals. The CME program is designed to provide new knowledge and encourage and facilitate scholarly development of healthcare professionals.

We expect approximately 80-100 practicing anesthesiologists, nurse anesthetists, anesthesia technicians, and anesthesia assistants from across the country in attendance.

The exhibit fee is \$2,000 and includes a 6' exhibit table. Space is limited and reserved upon receipt of a completed exhibitor agreement. If you are interested in exhibiting, please complete the online [exhibitor registration and letter of agreement](#) before February 15, 2024. If you do not have a profile/account you will first need to create one before completing the online form.
