About this course

COURSE DESCRIPTION
This course highlights pain conditions across multiple disciplines to improve pain control and patient outcomes. The course will include a review of the evaluation and treatment of common pain syndromes, such as spine pain, neuropathic pain, headache, fibromyalgia, chronic fatigue syndrome, and arthritic pains. The course will offer unique learning opportunities, such as new hands-on workshops, case-based discussions and lunch with experts.

COURSE HIGHLIGHTS
Upon completion of this activity, participants should be able to:

• Describe the multidimensional aspects of chronic pain and suffering.
• Illustrate the application of evidence-based treatment guidelines for the management of common chronic pain conditions.
• Demonstrate clinical approaches to diagnose and treat both cancer-related and non-cancer-related chronic pain syndromes.
• Demonstrate clinical tools helpful for interacting with patients suffering from chronic pain.

SPONSORSHIP INFORMATION
We have a variety of sponsorship opportunities for you to consider. Each of the opportunities is explained in further detail throughout this document. If you don’t see what you’re looking for, contact us and we will be happy to discuss additional advertisement opportunities.

Thank you in advance for your consideration!

WHY SPONSOR?
Technical and educational exhibits provide a professional and educational environment in which physicians can receive demonstrations, view products and services and discuss the clinical and surgical uses of these products and services, including how they may improve the quality of care and the management of the medical/surgical practice. Additionally, the exhibits enhance the educational content of the meeting helping to provide quality continuing medical education.

Benefits of Sponsorship:
- Interact face-to-face with numerous medical professionals
- Build visibility for your company in a competitive marketplace
- Expand your customer base and strengthen existing customer relationships
- Introduce new products and services
- Additional advertisement opportunities to expand reach and further socialize with attendees

ADVERTISING OPPORTUNITIES
Overview:
This course offers a quality selection of marketing and advertising opportunities. These are designed to help companies further engage, network and connect with attendees during the annual conference. Mayo Clinic staff can help maximize exposure through additional advertisement opportunities.

Don’t see what you are looking for? Contact us and we would be happy to discuss additional advertisement opportunities with you.

Educational Forum - $10,000
