44th Annual Practice of Internal Medicine
April 29 - May 3, 2024

Welcome

Greetings,

On behalf of Mayo Clinic, Mayo Clinic School of Continuous Professional Development, and course directors, John B. Bundrick, M.D. and Brandon P. Verdoorn, M.D., we are pleased to announce the upcoming 44th Annual Practice of Internal Medicine which will be held April 29 - May 3, 2024, at the Hilton Rochester Mayo Clinic Area in Rochester, Minnesota.

Mayo Clinic's Practice of Internal Medicine postgraduate course, celebrating its forty-fourth year, is designed to provide general internists, internist-subspecialists, family medicine physicians, and other primary care professionals with a state-of-the-art update in internal medicine. Lectures are presented by specialists from Mayo Clinic. The topics represent some of the most common problems encountered in clinical practice including the management of a variety of medical issues seen in areas of gastroenterology, infectious diseases, general internal medicine, rheumatology, geriatrics, emergency medicine, pulmonology, endocrinology, cardiology, neurology, and women's health.

Mayo Clinic recognizes these types of educational programs would not be possible without your support. We invite you to participate at this educational activity with an exhibit in the amount of \$2,500.00. This fee is for the exhibit space only. In support of ACCME guidelines, exhibitors will be in a separate area from the educational activity. We anticipate 200 attendees for this year's course. Course details can be found on the course website [here](#).

If you are interested in exhibiting at our course, please complete the online exhibitor agreement before April 1, 2024. For your convenience, our federal tax identification number is 41-6011702.

We look forward to the success of our 44th Annual Practice of Internal Medicine and hope you will be able to join us this coming May. If you have any questions, please feel free to contact us.
